## **Proactive Puppy Care Preventing Puppy Problems:**

**Proactive Puppy Care** Tonya Wilhelm, 2015-01-07 Puppy training puppy care and puppyhood oh my Puppyhood is the most important time in a dog's life. They are like little sponges soaking up experiences and learning what is safe, appropriate, and fun. You will not be able to redo this critical period in your puppy's life, so take advantage of their development and teach them the skills needed to lead a happy life. A good puppy parent will be able to mold their puppy into a confident, safe, happy dog with whom they can spend the next 10-15 years. The work you put into your puppy now will help to ensure a good dog in the future. Be prepared for some ups and downs, and remember that patience and a good sense of humor are important. If you have that attitude, raising a puppy is truly a blessing.

*Behavior Problems of the Dog and Cat* Gary Landsberg, Wayne Hunthausen, Lowell Ackerman, 2012-12-14. Formerly the Handbook of Behavior Problems of the Dog and Cat, the new edition of the definitive guide to the diagnosis and treatment of behavior problems of the dog and cat has been extensively updated. It retains the highly practical approach that has proved so successful in previous editions, offering diagnostic guidelines, preventative advice, treatment guidelines, and charts, case examples, client forms, and handouts, and product and resource suggestions along with details on the use of drugs and natural supplements to help optimize the behavior services offered in practice. To add to these features, the third edition is now fully referenced; there is significant new content; the book has been written with the entire hospital team in mind, and many color images have been added. The new edition welcomes a wide international mix of new contributors from Australia, Spain, Mexico, and the United States. A website link gives access to the handouts and forms previously found on disk. As well as fulfilling its original purpose as a practical tool for the busy clinician, this edition offers valuable and useful support material for all those studying the field of companion animal behavior. Now in full color and using a revised format, *Behavior Problems of the Dog and Cat* remains the most complete up-to-date and practical resource for the treating and diagnosing canine and feline behavior problems. Many hot new topics covered, including stress and its effects on health and behavior, and pain assessment and management. Three chapters are added, dealing with canine and feline communication, how to distinguish behavioral versus medical problems, and how to deal with fear and aggression in the clinic. Now thoroughly referenced to the scientific literature. Includes updates on drugs and natural therapeutics. Pain assessment charts now included. All new color format offers extra illustrations throughout.
