*Security Challenges and Management in Modern Nigeria* Abimbola Adesoji, Ayodeji Olukoju, Oluyato Adesina, 2019-01-15 This collection of essays explores the critical and fluid nature of security challenges that have plagued Nigeria since colonial times. Insecurity in diverse forms remains the bane of growth and progressive development in the country and has the capability to derail a society no matter how sophisticated. What has generated insecurity at the macro and micro levels? How has insecurity been tackled? Why have security challenges escalated particularly in the post independence period? What lessons could be learnt from the way security matters have been mis handled in the past? This volume presents chapters on the historical roots and antecedents of security challenges and considers the nexus between the economy, political leadership and development and its impacts on security in modern Nigeria. It also explores the effectiveness of the strategies employed to address security challenges and discusses why some security challenges have lingered.

**TiVo For Dummies** Andy Rathbone, 2004-03-23 Did it about kill you when Cheers went off the air? Want to make sure you don't miss an appointment with Dr Phil? Want to see anything and everything with Jessica Lange, Kate Winslet or Clint Eastwood? Are your kids really into SpongeBob, SquarePants, judo, gorillas or the Civil War? TiVo to the rescue! TiVo lets you watch what you want when you want to. You can pause live TV, replay missed high points, skip commercials and even get TiVo to find and record stuff you'll be interested in. TiVo For Dummies shows you how even if you're one of the millions whose VCR clock is only right twice a day. You'll discover how to Choose the right TiVo for your needs and your TV service. Get an instant replay with the click of a button. Use a Season Pass to get TiVo to seek out and record all episodes of a favorite TV show no matter when they air. Create a WishList so you can turn on whatever turns you on. TiVo will find and record specified TV shows, movie titles and programs with your favorite actors or directors. Expand your WishList to include topics such as sports; there are 93 subcategories to choose from: opera, car repair, volcanoes or whatever and TiVo will record related programming. Use TiVo's Home Media Option (HMO) to play your MP3 music files and view digital photos. Fast forward through commercials, sometimes cutting an hour show to 40 minutes. Use Parental Controls to lock out specific channels or filter individual shows based on content. TiVo For Dummies was written by Andy Rathbone, possibly the bestselling technology ever and the author of thirty five For Dummies books. It takes you from setting up TiVo to fine tuning it to troubleshooting it with all kinds of info and aids including: A diagram of the TiVo remote with call outs and descriptions of what all 26 buttons do. Button shortcuts: live TV shortcuts, Now Playing screen shortcuts and text entry shortcuts. Suggestions about additional software you may want for TiVo HMO including MoodLogic that becomes your personal disc jockey. Web sites that give all kinds of TiVo information. A glossary. TiVo puts you in control of your TV viewing and TiVo For Dummies puts you in control of TiVo.

**Paul Rogers: A Pioneer in Critical Security Analysis and Public Engagement** Paul Rogers, 2018-07-30 This book brings together a collection of writings over the past half century from Professor Paul Rogers. As a leading peace researcher, he has gained an

international reputation for the critical independent and rigorous analysis of international security and the underlying causes of global conflict His work on the responses to 9 11 and the continuing failure of the war on terror in particular has shown prescience that has attracted widespread attention Moreover he has coupled his academic analysis with a determination to communicate widely beyond the university environment With many thousands of radio and television interviews hundreds of public lectures and a world wide following for his web publishing this extramural engagement consistently seeks to raise the level of public debate on international security issues Provides a radically different perspective on global security based on 50 years of analysis Uniquely integrates economic environmental and security analysis into a single overview Cogently demonstrates the urgent need to rethink our entire approach to global security **Stereophile** ,1997 [The Education of Nations](#) Stephen Kosack,2012-07-25 What causes a government to invest or not invest in poor citizens especially mass education In *The Education of Nations* Stephen Kosack focuses on three radically different developing countries whose developmental trajectories bear little resemblance to each other Brazil Ghana and Taiwan and offers an elegant and pragmatic answer to this crucially important question *Race Unmasked* Michael Yudell,2014-09-09 Race while drawn from the visual cues of human diversity is an idea with a measurable past an identifiable present and an uncertain future The concept of race has been at the center of both triumphs and tragedies in American history and has had a profound effect on the human experience *Race Unmasked* revisits the origins of commonly held beliefs about the scientific nature of racial differences examines the roots of the modern idea of race and explains why race continues to generate controversy as a tool of classification even in our genomic age Surveying the work of some of the twentieth century s most notable scientists *Race Unmasked* reveals how genetics and related biological disciplines formed and preserved ideas of race and at times racism A gripping history of science and scientists *Race Unmasked* elucidates the limitations of a racial worldview and throws the contours of our current and evolving understanding of human diversity into sharp relief **The Catholic Periodical Index, a Cumulative Author and Subject Index to a Selected List of Catholic Periodicals** ,1959 **The Struggles of John Brown Russwurm** Winston James,2010-08-30 If I know my own heart I can truly say that I have not a selfish wish in placing myself under the patronage of the American Colonization Society usefulness in my day and generation is what I principally court Sensible then as all are of the disadvantages under which we at present labour can any consider it a mark of folly for us to cast our eyes upon some other portion of the globe where all these inconveniences are removed where the Man of Colour freed from the fetters and prejudice and degradation under which he labours in this land may walk forth in all the majesty of his creation a new born creature a Free Man John Brown Russwurm 1829 John Brown Russwurm 1799 1851 is almost completely missing from the annals of the Pan African movement despite the pioneering role he played as an educator abolitionist editor government official emigrationist and colonizationist Russwurm s life is one of firsts first African American graduate of Maine s Bowdoin College co founder of Freedom s Journal America s first newspaper to be owned operated and

edited by African Americans and following his emigration to Africa first black governor of the Maryland section of Liberia Despite his accomplishments Russwurm struggled internally with the perennial Pan Africanist dilemma of whether to go to Africa or stay and fight in the United States and his ordeal was the first of its kind to be experienced and resolved before the public eye With this slim accessible biography of Russwurm Winston James makes a major contribution to the history of black uplift and protest in the Early American Republic and the larger Pan African world James supplements the biography with a carefully edited and annotated selection of Russwurm s writings which vividly demonstrate the trajectory of his political thinking and contribution to Pan Africanist thought and highlight the challenges confronting the peoples of the African Diaspora Though enormously rich and powerfully analytical Russwurm s writings have never been previously anthologized The Struggles of John Brown Russwurm is a unique and unparalleled reflection on the Early American Republic the African Diaspora and the wider history of the times An unblinking observer of and commentator on the condition of African Americans as well as a courageous fighter against white supremacy and for black emancipation Russwurm s life and writings provide a distinct and articulate voice on race that is as relevant to the present as it was to his own lifetime Handbook on China and Globalization Huiyao Wang,Lu Miao,2019 An excellent guide for understanding the trends challenges and opportunities facing China through globalization this Handbook answers the pertinent questions regarding the globalization process and China s influence on the world **The Party Forever** Rowan Callick,2013-09-17 An inside look at the new leaders of the Chinese Communist Party and why the country s continued prosperity will keep them in power for years to come *Oxford Handbook of Cultural Evolution* Jamshid Tehrani,Rachel L. Kendal,Jeremy Kendal,2025-07-16 This handbook offers a comprehensive overview of the interdisciplinary field of Cultural Evolution which has in recent years matured into an increasingly diverse and wide reaching but intellectually coherent research programme The book showcases the disciplinary spectrum of research into Cultural Evolution from primatology and medieval literature to gene culture co evolution computer science anthropology archaeology and experimental psychology The handbook consists of review essays contributed by leading experts in their areas structured into ten sections covering key approaches and debates major themes and real world applications Taken together the essays offer an exceptionally broad and forward looking perspective on the field for researchers across the cognitive and evolutionary social sciences including those working in fields adjacent to Cultural Evolution such as Behavioural Ecology Evolutionary Psychology and Digital Humanities The handbook also provides a unique educational resource for students and teachers seeking to integrate Cultural Evolution into undergraduate and postgraduate curricula as well as highlighting some of the potential applications of Cultural Evolution in fields such as education public health and environmental policy *A Concise History of Modern Korea* Michael J. Seth,2016-03-03 Now in a fully revised and updated edition this comprehensive and balanced history of modern Korea explores the social economic and political issues it has faced since being catapulted into the wider world at the end of the nineteenth century Placing this formerly

insular society in a global context Michael J Seth describes how this ancient culturally and ethnically homogeneous society first fell victim to Japanese imperialist expansionism and then was arbitrarily divided in half after World War II Seth traces the postwar paths of the two Koreas with different political and social systems and different geopolitical orientations as they evolved into sharply contrasting societies South Korea after an unpromising start became one of the few postcolonial developing states to enter the ranks of the first world with a globally competitive economy a democratic political system and a cosmopolitan and dynamic culture By contrast North Korea became one of the world's most totalitarian and isolated societies a nuclear power with an impoverished and famine stricken population Considering the radically different and historically unprecedented trajectories of the two Koreas Seth assesses the insights they offer for understanding not only modern Korea but the broader perspective of world history All readers looking for a balanced knowledgeable history will be richly rewarded with this clear and cogent book      *Mounting Frustration* Susan E. Cahan, 2016-01-28 In *Mounting Frustration* Susan E Cahan uncovers the moment when the civil rights movement reached New York City's elite art galleries Focusing on three controversial exhibitions that integrated African American culture and art Cahan shows how the art world's racial politics is far more complicated than overcoming past exclusions      *Reverse Migration in Contemporary China* Huiyao Wang, Yue Bao, 2015-10-29 The authors investigate the phenomenon of highly skilled Chinese returnees and their impact on the development of the Chinese economy and society and on the transformation of China into a key player on the global stage They analyse the reasons why Chinese entrepreneurs choose to return to their native country and how their overseas experience shapes their attitude and behaviours This study is solidly grounded on fresh data from online and offline surveys and on evidence collected in over 200 interviews of successful returnees entrepreneurs These global Chinese returnees have contributed to the rise of Chinese economy into a global powerhouse and this continuing brain movement and circulation will have much more future implications and impact for China's exchange with outside world      **Politics in Contemporary Vietnam** J. London, 2014-05-13 Vietnam's political development has entered an extraordinary if indeterminate phase Comprising contributions from leading Vietnam scholars this volume comprehensively explores the core aspects of Vietnam's politics providing a cutting edge analysis of politics in one of East Asia's least understood countries      *The Betrayal of the Humanities* Bernard M. Levinson, Robert P. Ericksen, 2022-09-06 How did the academy react to the rise dominance and ultimate fall of Germany's Third Reich Did German professors of the humanities have to tell themselves lies about their regime's activities or its victims to sleep at night Did they endorse the regime Or did they look the other way whether out of deliberate denial or out of fear for their own personal safety *The Betrayal of the Humanities* The University during the Third Reich is a collection of groundbreaking essays that shed light on this previously overlooked piece of history *The Betrayal of the Humanities* accepts the regrettable news that academics and intellectuals in Nazi Germany betrayed the humanities and explores what went wrong what occurred at the universities and what happened to the major disciplines of

the humanities under National Socialism The Betrayal of the Humanities details not only how individual scholars particular departments and even entire universities collaborated with the Nazi regime but also examines the legacy of this era on higher education in Germany In particular it looks at the peculiar position of many German scholars in the post war world having to defend their own work or the work of their mentors while simultaneously not appearing to accept Nazism The Mind of the Master Class Elizabeth Fox-Genovese, Eugene D. Genovese, 2005-10-17 The Mind of the Master Class tells of America's greatest historical tragedy It presents the slaveholders as men and women a great many of whom were intelligent honorable and pious It asks how people who were admirable in so many ways could have presided over a social system that proved itself an enormity and inflicted horrors on their slaves The South had formidable proslavery intellectuals who participated fully in transatlantic debates and boldly challenged an ascendant capitalist free labor society Blending classical and Christian traditions they forged a moral and political philosophy designed to sustain conservative principles in history political economy social theory and theology while translating them into political action Even those who judge their way of life most harshly have much to learn from their probing moral and political reflections on their times and ours beginning with the virtues and failings of their own society and culture Women and Change in the Caribbean Janet Momsen, 1993-09-22 Recent discussion of postmodern culture describes a movement from center to periphery privileging cultures that were formerly marginalized Women and Change in the Caribbean a study of women marginalized by both gender and race in a region such as the Caribbean itself marginalized in global terms attempts to extract insights relevant both within and beyond geographical confines This volume offers a feminist interpretation of a multicultural society emerging from colonialism and in the process of change and restructuring The nineteen chapters include case studies of fifteen different Caribbean territories including Jamaica Trinidad Barbados Puerto Rico Grenada and Guyana The book is divided into two sections the first looks at women's status and gender relations in the private and public spheres the second looks at women's economic activity Taking a broad pan Caribbean comparative view contributors discuss territories with American British Dutch Danish French and Spanish colonial traditions and current political links The contributors come from a range of disciplinary backgrounds including agriculture anthropology economics geography history sociology and women's studies *'And so began the Irish Nation'* Brendan Bradshaw, 2016-03-09 Nationalism is a particularly slippery subject to define and understand particularly when applied to early modern Europe In this collection of essays Brendan Bradshaw provides an insight into how concepts of nationalism and national identity can be understood and applied to pre modern Ireland Drawing upon a selection of his most provocative and pioneering essays together with three entirely new pieces the limits and contexts of Irish nationalism are explored and its impact on both early modern society and later generations examined The collection reflects especially upon the emergence of national consciousness in Ireland during a calamitous period when the late medieval undeveloped sense of a collective identity became suffused with patriotic sentiment and acquired a political edge bound up with notions of national

sovereignty and representative self government The volume opens with a discussion of the historical methods employed and an extended introductory essay tracing the history of national consciousness in Ireland from its first beginnings as recorded in the poetry of the early Christian Church to its early modern flowering which provides the context for the case studies addressed in the subsequent chapters These range across a wealth of subjects including comparisons of Tudor Wales and Ireland Irish reactions to the Westward Enterprise the Ulster Rising of 1641 the Elizabethans and the Irish and the two sieges of Limerick The volume concludes with a transcription and discussion of A Treatise for the Reformation of Ireland 1554 5 The result of a lifetime s study this volume offers a rich and rewarding journey through a turbulent yet fascinating period of Irish history not only illuminating political and religious developments within Ireland but also how these affected events across the British Isles and beyond
