

## NATIONAL PROFESSIONAL PRACTICE EXAMINATION

The **National Professional Practice Exam (NPPE)** confirms knowledge of professionalism, law, and ethical. Given engineering and geoscience self-regulatory organizations in Canada use the NPPE, which is maintained by our sister association, the Association of Professional Engineers and Geoscientists of Alberta (APGEA).

All applicants for a professional designation (PEng/PGeol) must pass the NPPE before they can be licensed to practice.

If you passed a professional practice exam other than the NPPE in another Canadian professional engineering or geoscience self-regulatory organization, you may be exempted from the NPPE.

If you have been assigned any other exams by the Board of Admissions, complete those exams before attempting the NPPE.

Candidates are strongly encouraged to download and read the NPPE Candidate Guide before registering for the exam. It contains more detailed information than is presented here and is optimized for printing.

Download the NPPE Candidate Guide

### Registering for the National Professional Practice Exam

The exam is offered in January, March, June, September, and November. Each session for that month offers the exam six times: one morning and one afternoon time-slot over three days.

When you register, you will choose your preferred date and location from a list. Approximately 2-3 weeks prior to your preferred exam date, you will receive an email from [apgea@apgea.com](mailto:apgea@apgea.com) confirming your exam date, time, and location, as well as any additional instructions.

NS locations: **Fredericton, Moncton, Saint John**

- Other Yarmick testing locations across Canada may be available.
- Virtual Proctoring for remote locations (additional charges may apply)

### Writing the National Professional Practice Exam

The exam is comprised of multiple-choice questions based on 6 subject areas. You have 2.5 hours to complete it.  
Topics covered: [Syllabus](#)

### Study Materials

Two textbooks and several free websites are recommended as [study materials](#) to prepare for the NPPE. The textbooks are available for purchase on the APGEA's National Professional Examination - Application to Write (attached).

Practice tests made up of previous exam questions are available to help you prepare for the NPPE. The practice test gives you detailed feedback showing you your areas of strength and weakness in terms of learning. To best use the practice tests, we recommend that you take one early in your studying process and then later to determine which areas you still need to focus on.

The practice test site also sells an NPPE preparation package, which includes the two textbooks and access to two 50-question practice tests at a discounted price.

### Study Materials Specific to New Students of

[Engineering & Geoscience Professions Act](#)  
[Bylaws](#) under the [Engineering & Geoscience Professions Act](#)  
[HSR Occupational Health & Safety Act](#)

### Special Accommodations

APGEA can accommodate special needs because of a medical condition, including:

- extended testing time
- extra breaks
- reduced-distraction testing rooms
- larger font

To submit a request, email [admissions@apgea.com](mailto:admissions@apgea.com) to obtain the special accommodation instructions and forms. You must submit the special accommodation forms before the registration deadline or your request cannot be accommodated.

### Rescheduling & Cancellation

To reschedule, or cancel your exam before the registration deadline, email [admissions@apgea.com](mailto:admissions@apgea.com).

Once the exam registration deadline has passed, the exam fee is non-refundable, except in extenuating circumstances, e.g. the event of a medical emergency or illness, death in the family, court appearance, or military duty.
