The Life and Adventures of Robinson Crusoe (Annotated) Daniel Defoe,2019-12-23 Differentiated book It has a historical context with research of the timeIts original title is The life and incredible adventures of Robinson Crusoe of York sailor who lived twenty eight years completely alone on an uninhabited island on the shores of America near the mouth of the great Orinoco River having been dragged to the shore after a shipwreck in which all the men died except him With an explanation of how in the end he was unusually released by pirates Written by himself But well for friends it is Robinson Crusoe I do not know if this work the most famous of Daniel Defoe can be considered today as the predecessor of the youth novel We cannot forget that we are talking about a book published in 1719 and that it is the founding novel of adventures Therefore it represents an incalculable value The name with which it is published in 1719 already contains a brief summary of the content so we could add that it is the adventure of a child who wishes to go beyond what his parents propose or desire for him Thus the protagonist prefers to avoid any sign or manifestation established to follow his wishes regardless of the consequences Perhaps youth and innocence justify the facts and means of such a reaction but they also serve the narrator to involve us in his reading A training novel where a child becomes a man and matures with every blow especially when it comes to seeing himself on a desert island with nothing but his ingenuity which he will demonstrate through the practices and causes effects of Your own evolution Learn to collect everything that can be edible to keep the products that he could save from the ship as long as possible to know the land to reap in the right times to make your own home over and over again to prepare your own food and your own tools to perfect them All following trial error techniques Basically it is the adventure of a man who watches over his own interests and to protect himself from storms famine disease and any other situation that is out of one s own hands Daniel Defoe portrays in an entertaining way an adventure that is not as far from our reality as we might think at the beginning As for the narration we can say that it is composed in the form of a newspaper that fades on the island similar to the loss of the notion of the main character s time and remains only as a story with a linear structure full of descriptions A book that falls apart in the hands of the reader **The Life and Strange Surprizing Adventures of Robinson Crusoe, of York, Mariner** Daniel Defoe,1999 Robinson Crusoe 1719 is one of the most famous adventure stories ever written The account of a sailor shipwrecked on a desert island for twenty eight years it is also a tale of mythic proportions an allegory and a spiritual autobiography **Daniel Defoe's Robinson Crusoe** Daniel Defoe,2008 Brings to life Robinson Crusoe s introduction to the sea **The Life and Adventures of Robinson Crusoe ...** Daniel Defoe,1805
