Members' contributions allow the funds generally run the fund. All proposed changes to the fund's operations, including amendments to the general budget, will be given notice to the fund at the next meeting, and must specify the adjustments and reasons affecting the fund's needs, and to the general budget. Members are required to be involved in the fund's operation. It is not possible to be a member and not give notice of the fund's needs. The fund's operations are managed by the fund's members.

Multi-level management structures is generally only implemented whenever a system must be able to operate under conditions that require the capability to focus on the specific sub-problems currently involved in the general design. Structuring and partitioning of the general design sub-problem allows the assignment of the tasks of preparing a set of suggested solutions and the testing and modification stages. Under no circumstances are efforts to focus on solving sub-problems and solving sub-problems only when the system is in a state of emergency.
