**Cataclysm, Books 1-4** Ann Gimpel, 2021-02-14 Bundled together for the first time. Over 1200 pages of riveting vampiric urban fantasy. Harsh Line. My very existence is under attack. I've kept a low profile told myself the craziness sweeping the world would pass me by. Yeah it was wishful thinking actually an outright lie but it's kept me sane. I've been hiding out forever in one guise or another. Currently I run a nightclub. Ascent is an ask me no questions and I'll tell you no lies haven. For everybody I'm a Vampire. Far be it from me to judge. My closest ally is a shapeshifting dire wolf I adopted him when he was a scrawny puppy but I'm getting ahead of my tale. The fragile détente between supernaturals and humans has crashed and burned. I can't avoid the truth any longer. Lucky for me mortals don't know exactly what I am. When I moved to Seattle some vampiric sixth sense urged me to play my cards close to my vest but I'm done burying my secrets. And my power Warped Line. I chose stasis a long

sleep for me and two of mine Hard to time these things but we woke in the eye of a cyclone When I went to sleep to avoid being drained of magic and blood by dark Sorcerers Vampires weren t exactly on the endangered species list but not many of us are left No one ever accepted us Not mortals and not others with power either At least one of those dams has developed a few cracks Supernaturals aren t quite welcoming but they ll take help from any quarter Mortals have declared war on magic and they won t rest until we re all sitting in iron clad prisons What a bunch of cowards If they weren t hiding behind false humanitarian walls they d be honest about their intentions and do their damndest to kill us outright Cracked Line Vampires don t fall in love Except I did Not the best decision of my long life I definitely cracked an unspoken line but Ariana trounced me as far as line crossing went Very few acts constitute crimes in Vampire circles Hers was the worst I fled to the Old Country to buy myself thinking time I still loved her but what she d done was so vile I couldn t set it aside We face huge problems but I m tackling them one by one I ll return to Ariana s side but perhaps only as her comrade in arms Time will tell if we can be more to each other Time and circumstances In a world without magic Vampires will wither along with every other magic wielder I cannot let that happen Broken Line In all my years as a Vampire hundreds of them I never imagined humans would be anything other than food Rich pure delectable blood Prey that fought back never posed a problem Mortals couldn t stand against those of us with supernatural ability That world still exists but it s taken a backseat to humans who ve joined forces with turncoat mages Mortals were never meant to wield power Over the long haul they re sure to be very sorry for the choices they ve made Maybe someday I ll be a humble innkeeper again but it s so far in the future I can t even think about it Nope For now all I see is blood Rivers of it and not running down my gullet either On the plus side I have good friends powerful allies and a Vampire who loves me We have to come through this unscathed Have to I m Ariana Hawke and I take care of what s mine

**Sophie Saves the World** Kat Simons,2024-11-12 Tending bar couldn t prepare her for an adventure through the universe Who knew When someone walks through Sophie s bathroom wall the hardworking bartender is understandably confused First because someone walked through the seemingly solid wall of her bathroom And second because that someone is small and green smells weirdly like peppermint and says his name is Gerald He also claims she needs to save his world Sophie does not consider herself the world saving type In fact she would argue she is the least qualified world saving person to ever be offered the opportunity to save a world But fate has a twisted sense of humor Bravery rises at the strangest times in the strangest places though So maybe a plucky bartender from Las Vegas really can save the world Or at least not die trying Author s Note This story is also published in the collection HAUNTS AND HOWLS AND JESTERS BELLS keywords Urban fantasy paranormal urban fantasy contemporary fantasy magic fantasy adventure fantasy short story collections sword and sorcery witches and wizards dragons and mythological creatures urban fantasy magic magic and mayhem monsters and demons myths and legends paranormal fantasy humorous fantasy portal fantasy
