My heart belonged to Bentley, and I knew no one else could ever replace him. I also knew he felt the same way about me. He gave me a ring promising his love to me. Touch R. P. James, 2015-08-22 **STEBROTHER ROMANCE** Do you think money can buy happiness? I don't think so. But then again, I also grew up dirt poor, and my father married into wealth in the form of my billionaire stepmother, author of a famous vampire romance series. This in turn brought me rather brusquely into the lap of luxury where I encountered the man who would come to change my life. Charles. Charles, and I had shared many a sordid moment growing up, developing quite an uncomfortable and utterly sexual dynamic culminating in an intense seaside romp when I was eighteen, and the two of us almost immediately seeing the error of our ways and deeply regretting our decision. It's been nearly seven years since that fateful day. We've both done our best to put the incident out of our mind, the two of us staying far apart from one another, but to no avail. Now I'm engaged to be married to Alan, a billionaire tech mogul, despite my ongoing feelings for Charles. But will his appearance at our engagement party lead me to a change of heart and into the arms of such a taboo lover? Warning: This book contains lots of HOT sex, drama, and submission. If this is not the kind of stuff you like to read, then start now and see what you have been missing. Enjoy. **A Stepbrother Romance Standalone Book By Published Author R P James** **My Dearest**

Billionaire Stepbrother Romance Marian Middleton, 2015-10-31 After my divorce, I doubted I could ever find love again. I felt broken and lost, but that changed into a whirlwind romance that I hadn't been expecting. A man came into my life and changed all of that. He spoiled me, showed me attention, and showed me affection. These were all the things my ex-husband didn't do in our relationship. There was one small catch: I couldn't tell my family about the new man in my life that brought me so much love, happiness, and joy. My family wouldn't understand about my new relationship and would disown me in a heartbeat if they ever found out. I held the picture frame with us in Paris. I traced my finger on his face. I wasn't expecting to fall in love with him, and definitely not so soon, but we did. The only problem was the fact he was my stepbrother. Society didn't see it the same way we did. We weren't related, and it was perfectly legal to get married. We weren't blood-related. We were only classified as related because my mother was married to his father. People that both worked for the firm and lived around here didn't know we were half-siblings. We didn't have to hide it, but we had to both be at my parents' this week for our Thanksgiving holiday. **STONED** Cynthia Sharon, Robert Stone They call him Stone because he's hard as a rock. He's sexy, debonair, and arrogant as f---. A sexy, dangerous rival for power in the city that never sleeps. He sits on top of an empire, looking down at the world, and now he's my stepbrother. Our history has been one dangerous game of cat and mouse. My business is in trouble, and a merger is the only solution. I'll be screwed if this merger falls through, and maybe even if it does.

The heat between us is unbearable If that volcano between his legs erupts we ll both get scorched I have to resist or my upcoming marriage will be shattered I can t afford to get STONED **I'M in Love with My Stepbrother** Rickhya Ware,2014-07-30 A foster girl with a dangerous past is adopted When she sees her foster brother she immediately has a crush on him Through the journey of their lost tale she finds friends but the worst that could possibly happen comes true She goes through rough times Will the love that they share be the same when she comes back When she does did she lose the most important thing to her *The Charming Billionaire Stepbrother Romance* Marian Middleton,2015-06-08 Ariana and Chris have hit it off and they soon found out that they both like one another at least in a sexual sense They want to be all overreach other and they don t want their parents to know anything about it either But when a former friend that Chris knew from college comes into play immediately things start to get awkward between the two of them Will Ariana be left to the side as another notch on the bedpost Or will their true feelings be expressed as a result of this new and strange third person as they enter into the fray *The Charming Billionaire Stepbrother Romance* Marian Middleton,2015-06-08 Ariana and Chris have now learned that they love one another Its true love and they want to express it But they get stopped when their parents insist that they go out on a trip together They try to play it off but then things get awkward when their mom catches Chris and Ariana in the act and she immediately freaks out at the fact that her daughter and stepson are trying to get together But little does she know that a few barriers aren t going to stop them Will these two be able to work it out despite their parents hating it There s only one way to find out **Stepbrother Romance** R.
