

## **Act 1 Romeo And Juliet Questions and Answers**

2 pages | 498 words

Why do Sampson and Gregory fight with Montague's men?

They stir up old woes again that occurred in the past and fight.

Benvolio and Tybalt come upon the servants fighting. Contrast their reactions to the fight.

Benvolio does not want to fight, but Tybalt fights and is angry.

When Montague and Capulet enter and see the disturbance, they want to fight, too. What do their wives say?

The wives tell them to not fight at all, and that they are getting old.

What ended the opening skirmish?

The prince threatens Capulets and Montague's death if argument starts again.

Why is Romeo so sad?

He is in love with a woman who does not want to be touched.

In Act 1 Scene 2, Paris asks Capulet for Juliet's hand in marriage. What is Capulet's reply?

Capulet tells Paris that Juliet is too young to be married but he will arrange her with other men. If none of those men meet the standards that Paris does, then he will let Paris marry Juliet in a couple of years.

Why is Capulet giving a feast?

Capulet is giving a feast in order to find who is right for Juliet, along with Paris in consideration.

How does Romeo find out about the feast, and why does he decide to go even though (being a Montague) he is not invited?

The servant, who has the names of the guests, does not know how to read, so he asks Romeo if he knows how to read. Romeo soon finds out about the feast that the Capulet, the servants master, is having.

Romeo decides to go, because he knows that Rosaline, the woman he loved at the time, would be there.

Also, Benvolio wanted to show Romeo the many other women there would be at the party so that he can forget about Rosaline.

Describe Juliet's relationship with her family in Act 1.

Juliet seems to have a very good relationship with her family, especially with her father. They are both very close, so when she was told that Paris wanted to marry her, she was willing to, only because of how much respect she had for her father.

At the end of Act 1, Scene 4, what does Romeo tell Benvolio,, foreshadowing future action in the play?

Romeo tells Benvolio that he will go to the feast, but that he feels that problems will occur at the feast because of him being a Montague, not a Capulet.

What does Romeo mean when he says, 'Oh Dear Account! My life is my woes debt'?
