The short essays on the exams are worth 5 points each. Each exam features at least two short essay questions.

Score	Completion	Accuracy	Comprehension	Organization	Conventions
5	The answer is complete.	All information provided is accurate.	Content demonstrates a deep understanding of, and engagement with, the text(s).	Content is well-organized and easy to read. Points follow a logical progression.	No major grammatical or spelling errors. No more than two minor errors.
4	The answer is missing slight details.	All information provided is accurate.	Content demonstrates understanding of, and engagement with, the text(s).	Content is well-organized and easy to read. Points follow a logical progression.	No major grammatical or spelling errors. No more than five minor errors.
3	The answer is missing multiple details.	Most information provided is accurate.	Content demonstrates basic understanding of the text(s).	Content is organized and easy to read. Points follow a mostly logical progression.	Some major and minor errors that don't necessarily impair communication.
2	Content suggests lack of preparation or comprehension.	Some information provided is accurate.	Content demonstrates less than basic understanding of the text(s).	Content may be unorganized and difficult to read. Points do not follow a solidly logical progression.	Major and minor errors significantly weaken quality of communication, although still comprehensible.
1	Content only marginally related to the question/prompt.	A small amount of the information is accurate.	Content demonstrates a lack of understanding of the text(s).	Content is unorganized, illogical, and difficult to read.	Communication seriously impaired by multitude of spelling/grammatical errors.
0	Content fails to meet the basic requirements of the task.	None of the information provided is accurate.	Content demonstrates a complete lack of understanding of the text(s).	Content is very poorly organized, illogical, and difficult to read.	Multitude of major and minor errors make answer incomprehensible.

The Assessment Debate Valerie J. Janesick, 2001-11-14 An authoritative reference on one of education's hottest topics describing how the latest testing and assessment tools can be used to help improve student performance In this comprehensive review of the wealth of techniques by which students can be assessed Valerie J. Janesick points out that the politics of schooling often gets in the way of student progress High stakes standardized testing is frequently based on poorly constructed unfair tests that encourage teaching to the test which actually impedes educational goals Authentic testing relies more on essays and writing samples performances demonstrations and role plays Although it is fairer and provides a measure of student growth and progress it requires more effort by teachers who also require extra training Besides discussing authentic assessment in detail The Assessment Debate includes a chronology an annotated directory of organizations supporting performance assessment a list of state coordinators for testing reform and state by state report cards
