Should we stay or should we go? Millions of parents with children in public schools can't believe they're asking this question. But they are. And you should be asking it too. Almost overnight, America's public schools have become morally toxic. And they are especially poisonous for the hearts and minds of children from religious families of every faith: ordinary families who value traditional morality and plain old common sense. Parents' first duty is to their children: to their intellect, their character, their souls. The facts on the ground point to one conclusion: get out now. [Raising](#)

[Conservative Kids in a Woke City](#) Stacy Manning, Katy Faust, 2023-09-26 In *Raising Conservative Kids in a Woke City*, two moms living in the bluest of cities offer practical guidance, parenting strategies, and humorous commentary to help parents immunize their children against Woke infection. In whichever zip code or tax bracket you dwell, there's hope for parents who seek to indoctrinate their kids into conservatism: that is, kids who understand historical, economic, and biological reality. This book coaches parents in the how, when, and who of teaching children to think about the world rightly. The authors identify principles and processes that walk the line between protection and exposure, sheltering and equipping. They also share real-life stories of kids who have effectively pushed back against aggressive adults, stood against the crowd, and won conservative converts. If two moms sending their kids to public school in Seattle can raise conservative kids, you can too. [First Martyr of Liberty](#) Mitch Kachun, 2017-06-20 *First Martyr of Liberty* explores how Crispus Attucks's death in the 1770 Boston Massacre led to his achieving mythic significance in African Americans' struggle to incorporate their experiences and heroes into the mainstream of the American historical narrative. While the other victims of the Massacre have been largely ignored, Attucks is widely celebrated as the first to die in the cause of freedom during the era of the American Revolution. He became a symbolic embodiment of black patriotism and citizenship. This book traces Attucks's career through both history and myth to understand how his public memory has been constructed through commemorations and monuments, institutions and organizations bearing his name, juvenile biographies, works of poetry, drama, and visual arts, popular and academic histories, and school textbooks. There will likely never be a definitive biography of Crispus Attucks since so little evidence exists about

the man's actual life While what can and cannot be known about Attucks is addressed here the focus is on how he has been remembered variously as either a hero or a villain and why at times he has been forgotten by different groups and individuals from the eighteenth century to the present day **Memory-Making Mom** Jessica Smartt,2019-03-05 What will your children remember of their childhood Calling all moms who want to break out of monotony distraction and busyness to a life of making lasting memories with your kids and drawing your family closer to one another and to God What's the solution to gaining the balanced meaningful life you desire with your family Create traditions that bring joy and significance Popular Smartter Each Day blogger and mom of three Jessica Smartt explains why memory making is the puzzle piece that today's families are longing for As Jessica shares her ideas traditions and beautiful insights on parenting in this well written resource guide she highlights the tradition gifts kids need most with 300 unique traditions including Food memories that stick to your ribs Holidays fall bucket lists crooked Christmas trees and lingering over Lent Spontaneity going on adventures Faith why you need the puzzle box Memory Making Mom is jam packed with her own favorite childhood traditions those she has started with her own children traditions tied to the Christian faith and additional ideas that you can take and tailor to suit your needs Jessica also offers spiritual guidance and practical encouragement to modern parents to keep on adventuring even when they are fighting distractions are on a budget and exhausted **When Comedy Goes Wrong** Christopher J. Gilbert,2025-04

While conventional wisdom has it that humor embodies a spirit of renewal and humility a dispirited form of comedy thrives in a media saturated and politically charged environment When Comedy Goes Wrong examines how beginning in the late twentieth and carrying into the early twenty first century a certain comic dispirit found various platforms for disheartening cultural politics From the calculated follies on talk radio programs like the Rush Limbaugh Show through the anticomedie in the movie Joker the charades of cancel culture the carnivalesque antics of participants in the Capitol insurrection and ultimately to so called Alt Right comedy the transgressions and improprieties and ego trips endemic to a newfangled comic freedom produced entirely unfunny ways of being To understand these unfunny ways Christopher J Gilbert challenges the prevailing belief in humor's goodness analyzing radio personalities meme culture films civil unrest and even the language of ordinary individuals and everyday speech all to demonstrate what happens when humor becomes humorless As such Gilbert puts forth a nuanced sense of humor with regard to a tumultuous world When Comedy Goes Wrong challenges assumptions about comedy's unequivocal benefits to democratic praxis It goes beyond partisanship to explore the uglier parts of American culture imagining the stakes of doing comedy and being comical as a means of survival **The Children's Own Longfellow**
