Russia S Foreign Policy Change And Continuity In National Identity

Ying Liu

Russia S Foreign Policy Change And Continuity In National Identity:

Russia's Foreign Policy Andrei P. Tsygankov, 2013-02-14 Now fully updated and revised this clear and comprehensive text explores the past quarter century of Soviet Russian international relations comparing foreign policy formation under Gorbachev Yeltsin Putin and Medvedev Drawing on an impressive mastery of both Russian and Western sources Andrei P Tsygankov shows how Moscow s policies have shifted with each leader s vision of Russia s national interests He evaluates the successes and failures of Russia s foreign policies explaining its many turns as Russia s identity and interaction with the West have evolved The book concludes with reflections on the emergence of the post Western world and the challenges it presents to Russia s enduring quest for great power status along with its desire for a special relationship with Western nations

Russia's Foreign Policy Andrei P. Tsygankov, 2022-07-11 Now fully updated and revised this clear and comprehensive text explores the past thirty years of Soviet Russian international relations comparing foreign policy formation under Gorbachev Yeltsin Medvedev and Putin Challenging conventional views of Moscow s foreign policy Andrei Tsygankov shows that definitions of national interest depend on visions of national identity and is rooted both in history and domestic politics Yet the author also highlights the role of the external environment in affecting the balance of power among competing domestic groups Drawing on both Russian and Western sources Tsygankov shows how Moscow s policies have shifted under different leaders visions of Russia s national interests He gives an overview of the ideas and pressures that motivated Russian foreign policy in six different periods the Gorbachev era of the late 1980s the liberal Westernizers era under Kozyrev in the early 1990s the relatively hardline statist policy under Primakov the more pragmatic course of limited cooperation under Putin and then Medvedev and the assertive policy Putin has implemented since his return to power Evaluating the successes and failures of Russia s foreign policies Tsygankov explains its many turns as Russia s identity and interaction with the West have evolved The book concludes with reflections on the emergence of the post Western world and the challenges it presents to Russia s enduring quest for great power status

Russia's Foreign Policy D. Cadier, M. Light, 2015-06-30 This edited volume analyses the evolution and main determinants of Russia s foreign policy choices Containing contributions by renowned specialists on the topic the study sheds light on some of the new trends that have characterised Russia s foreign policy since the beginning of Vladimir Putin s third presidential term

Russian Foreign Policy Jeffrey Mankoff, 2009-04-16 A second edition of this book is now available This thoughtful and balanced text examines the development of Russian foreign policy since the end of the Cold War Presenting an evenhanded treatment of controversial issues Jeffrey Mankoff analyzes Russia s interactions with major global actors including the United States the European Union the Commonwealth of Independent States and China Despite Moscow s often harsh rhetoric and the deployment of Russian forces against Georgia in 2008 the author convincingly demonstrates that today s Russia is more interested in restoring what its leaders consider to be its rightful place among the world s major powers than in directly challenging the West Thoroughly researched and

knowledgeable this book will be invaluable for all students of Russia The Sources of Russian Foreign Policy Assertiveness Angela Borozna,2022-01-31 This book explores the sources of Russia's foreign policy conduct since the end of the Cold War. It is aimed at those interested in Russian foreign policy, international security and diplomacy. The book embraces an eclectic approach by applying insights from several strands of IR theory, exploring both international and domestic sources. The author argues that Russian foreign policy is influenced by the country's strategic culture, which exhibits some persistent elements inherited from Russia's imperial past and from Soviet times. The challenges to Russia's security interests from Western policies led to an increase in Russian foreign policy assertiveness. As a result, Russia is becoming more committed to Eurasian integration and nurturing relations with China. This book further argues that Russia's relations with the post-Soviet states have been and will remain a priority of its foreign relations and therefore Russia is likely to continue challenging any Western interference in these states. The author maintains that geo-economics and the protection of overseas economic interests are becoming more prominent in Russia's foreign policy calculus. The role of domestic factors in the country's foreign policy, such as authoritarianism, regime vulnerability and the role of political factions, is also examined.

Russia-China Relations in the Post-Crisis International Order Marcin Kaczmarski,2015-03-24 The book explores developments in Russia-China relations in the aftermath of the global economic crisis, arguing that the crisis transformed their bilateral affairs, regional liaisons and crucially altered the roles both states play on the international arena. Discussing how Russo-Chinese cooperation has accelerated in energy trade, arms sales and in the Russian Far East, the focus is on how the still mutually advantageous relationship has become more asymmetric than ever, reflecting China's meteoric rise and Russia's decline. These dynamics are explored through three perspectives: domestic, regional and global. Domestically, the book traces the role of political coalitions and key interest groups involved in how the two states shape their reciprocal policies. Changes in the regional dimension are examined with particular reference to a new status quo emerging in Central Asia. The book concludes by explaining how the changing relationship is affecting the international order, including the balance of power vis-à-vis the United States, as well as Russia and China's changing attitudes towards global governance. Russian Foreign Policy Eric Shiraev, Konstantin Khudoley,2018-12-12 Written by two leading scholars, this cutting-edge textbook provides a comprehensive re-evaluation of Russian foreign policy in the 21st century, covering its historical development, key institutions and actors, and processes, principles and strategies. It integrates domestic and global perspectives to give a more rounded and balanced assessment of Russia's place in the world. This text will be essential reading on Russian foreign policy modules as well as on broader courses on Russian government and politics. It can also be used as supplementary reading on more general comparative politics and foreign policy modules which use Russia as a key case study. *American Foreign Policy* Richmond M. Lloyd,2009 NOTE: NO FURTHER DISCOUNT FOR THIS PRODUCT OVER STOCK SALE. Significantly reduced list price while supplies last. Proceedings form a forum which provided a collegial forum for a small and select group

of foreign policy and regional experts to formulate and recommend new directions for American foreign policy for each of the major regions of the world With a new American administration in office this is an opportune time to assess American foreign policy and to set future directions

- 1 What challenges and opportunities will the United States and its allies and friends face in the future
- 2 What changes should be made to all elements of U S foreign policy including the diplomatic economic military and informational elements

Russian Nationalism and the National Reassertion of Russia Marlene Laruelle, 2009-05-07 This book considers a wide range of aspects of Russian nationalism focussing on the Putin period It discusses the development of Russian nationalism including in the Soviet era examines how it relates to ideology culture racism religion and intellectual thinking and its affects on Russian society politics and foreign policy

Great Games, Local Rules Alexander Cooley, 2012 The struggle between Russia and Great Britain over Central Asia in the nineteenth century was the original great game But in the past quarter century a new great game has emerged pitting America against a newly aggressive Russia and a resource hungry China all struggling for influence over one of the volatile areas in the world the long border region stretching from Iran through Pakistan to Kashmir In *Great Games Local Rules* Alexander Cooley one of America s most respected Central Asia experts explores the dynamics of the new competition over the region since 9 11 All three great powers are pursuing important goals basing rights for the US access to natural resources for the Chinese and increased political influence for the Russians But Central Asian governments have proven themselves powerful forces in their own right establishing local rules that serve to fend off foreign involvement enrich themselves and reinforce their sovereign authority Cooley s careful and surprising explanation of how small states interact with great powers in this vital region greatly advances our understanding of how world politics actually works in this contemporary era

(Un)avoidable Conflict in

Ukraine Cristian Nitoiu, 2025-06-26 Taking a conceptual approach to European Russian relations in the post Cold War era this book traces how each side's ideal self came into conflict with fault lines in international politics Russia's 2022 full scale invasion of Ukraine is not only a symptom of conflict taking over the European continent but also a point of no return that will be difficult to roll back Could the state of conflict on the European continent have been avoided To understand the nature and evolution of conflict with Russia this book presents a theoretically informed discussion of the way relations between the European Union EU and Russia deteriorated beyond repair during the more than three decades since the collapse of the Soviet Union First the book develops the concept of ideal self of states and international organisations like the EU which posits that a series of ideal perceptions about how the self should act in the world order drives the behaviour of states and their policymakers Second the book turns to the study of fault lines or spaces of divergence in the world order that harbour the potential for conflict With these two theoretical toolkits the book shows how leaders in the EU and Russia by February 2022 came to view conflict as a feasible preferable and possibly the only option available to them Even though neither the EU nor Russia had desired conflict both made little effort to avoid it As a result the European continent has sleepwalked into conflict with the potential for that conflict to spill over from Europe and escalate beyond a point of no return between the West and its global challengers

Dimensions and Challenges of Russian Liberalism Riccardo Mario

Cucciolla, 2019-05-22 Liberalism in Russia is one of the most complex multifaced and indeed controversial phenomena in the history of political thought Values and practices traditionally associated with Western liberalism such as individual freedom property rights or the rule of law have often emerged ambiguously in the Russian historical experience through different dimensions and combinations Economic and political liberalism have often appeared disjointed and liberal projects have been shaped by local circumstances evolved in response to secular challenges and developed within often rapidly changing institutional and international settings This third volume of the Reset DOC Russia Workshop collects a selection of the Dimensions and Challenges of Russian Liberalism conference proceedings providing a broad set of insights into the Russian liberal experience through a dialogue between past and present and intellectual and empirical contextualization involving historians jurists political scientists and theorists The first part focuses on the Imperial period analyzing the political philosophy and peculiarities of pre revolutionary Russian liberalism its relations with the rule of law *Pravovoe Gosudarstvo* and its institutionalization within the Constitutional Democratic Party Kadets The second part focuses on Soviet times when liberal undercurrents emerged under the surface of the official Marxist Leninist ideology After Stalin's death the thaw intelligentsia of Soviet dissidents and human rights defenders represented a new liberal dimension in late Soviet history while the reforms of Gorbachev's New Thinking became a substitute for liberalism in the final decade of the USSR The third part focuses on the time of troubles under the Yeltsin presidency and assesses the impact of liberal values and ethics the bureaucratic difficulties in adapting to change and the paradoxes of liberal reforms during the transition to post Soviet Russia

Despite Russian liberals having begun to draw lessons from previous failures their project was severely challenged by the rise of Vladimir Putin Hence the fourth part focuses on the 2000s when the liberal alternative in Russian politics confronted the ascendance of Putin surviving in parts of Russian culture and in the mindset of technocrats and system liberals Today however the Russian liberal project faces the limits of reform cycles of public administration suffers from a lack of federalist attitude in politics and is externally challenged from an illiberal world order All this asks us to consider what is the likelihood of a reboot of Russian liberalism

Putin's Russia Stephen K. Wegren, 2015-07-16 Now in a thoroughly revised expanded and updated sixth edition this classic text provides the most authoritative and current analysis available of the challenges facing Russia today Leading scholars explore the daunting domestic and international problems confronting Putin Evaluating the regime's continued efforts to rebuild a country once on the verge of collapse they consider a comprehensive array of economic political foreign policy and social issues Putin has his own approach for dealing with the myriad problems facing Russia emphasizing recentralization of power and a strong state He has returned to power amid unresolved policy issues both domestically and from the international community Only by understanding these concerns and previous efforts to deal with them will it be possible to understand the country's trajectory Well written and clearly organized this text is an indispensable guide for anyone wanting to understand contemporary Russia Contributions by Alfred Evans Kathleen J Hancock Timothy Heleniak Kathryn Hendley Dale R Herspring Janet Elise Johnson Taylor Ren Lane Maria Lipman Jeffrey Mankoff Alexander M Nikulin Alexandra Novitskaya Nikolai Petrov Thomas F Remington Richard Sakwa Louise Shelley Darrell Slider Pekka Sutela Andrei P Tsygankov Stephen K Wegren *Struggle for Alliance* Abdolrasool

Divsallar, 2024-08-22 This book provides a comprehensive study of the complex impacts of the war in Ukraine on Russo Iranian relations and the resulting consequences for the international relations of the Middle East In contrast to dominant academic approaches which view Russo Iranian relations through the lens of an anti hegemonic agenda and confrontation with the US led international order this study presents an alternative angle stating that the war in Ukraine has sped up Moscow and Tehran's interdependency primarily because of the protective benefits that it brings to both states The book analyzes various debates about the impact of the war on Russo Iranian relations From the perspective of the emerging literature on authoritarian regionalism the book explores how domestic politics and common threat perceptions play a role in these states decisions to adjust to the systemic changes caused by the war Chapters address how changes in the strategic environment are affecting Moscow and Tehran's perception of each other what factors contribute the most to both states decision to pursue greater cooperation and how they manage the new conflicts of interest raised by the war The book also queries whether relations continue to be based on tactical partnership or whether a stronger alliance between Moscow and Tehran is unfolding and what the consequences of such a struggle for alliance will be for the wider region **Russia and the EU** Thomas Hoffmann, Andrey Makarychev, 2018-07-27 The annexation of Crimea in 2014 and Russia's support for

military insurgency in eastern Ukraine undermined two decades of cooperation between Russia and the EU leaving both sides in a situation of reciprocal economic sanctions and political alienation What is left of previous positive experiences and mutually beneficial interactions between the two parties And what new communication practices and strategies might Russia and Europe use Previously coherent and institutionalized spaces of communication and dialogue between Moscow and Brussels have fragmented into relations that while certainly not cooperative are also not necessarily adversarial Exploring these spaces contributors consider how this indeterminacy makes cooperation problematic though not impossible and examine the shrunken yet still existent expanse of interaction between Russia and the EU Analysing to what extent Russian foreign policy philosophy is compatible with European ideas of democracy and whether Russia might pragmatically profit from the liberal democratic order the volume also focuses on the practical implementation of these discourses and conceptualizations as policy instruments This book is an important resource for researchers in Russian and Soviet Politics Eastern European Politics and the policy politics and expansion of the European Union

Securitizing Balance of Power Theory Ilai Z. Saltzman, 2012 *Securitizing Balance of Power Theory A Polymorphic Reconceptualization* by Ilai Z Saltzman presents a cutting edge attempt to re conceptualize one of the fundamental concepts of International Relations theory balance of power theory by examining insights from historical analysis of interwar and post Cold War cases

Russia and the EU in a Multipolar World Andrey Makarychev, 2014-11-01 This timely book offers a multifaceted analysis of EU Russian relations drawing on the investigation of competing models of international society Makarychev argues that the huge variety of interest based and normative models is best explained through the study of foreign policy and identity discourses His approach defies simplistic explanations of EU Russian relations as either destined for cooperation or doomed to constant collisions Instead Makarychev unveils multiple alternatives that both the EU and Russia face in their policies toward each other Assessing the repercussions ongoing EU Russian discord has on Europe and the world Makarychev s volume reveals the interconnectedness of the discourses dominating the EU and Russia while also accounting for the deep seated disconnect between them

The Cold War in the 1950s Nicolas Lewkowicz, 2024-03-12 The book claims that the United States and the Soviet Union attained the mastery of the international order by projecting universalist values that responded to the particularist markers of the domestic order that was generated in the 1950s The geopolitical orientation adopted by the superpowers in the 1950s was shaped by the way in which their societies developed politically socially and economically in the 1950s The main argument of this book is that the quest for the mastery of the international order that informed superpower relations in the 1950s was guided by the need to respond to the local circumstances that emerged in the United States and the Soviet Union The particularist markers that arose in the 1950s led to the establishment of a geopolitical project underpinned by certain universalist values that could be applied in order to build the superpowers sphere of influence

The Return of Ideology Cheng Chen, 2016-07-06 As a nation makes the transition from communism to democracy or

another form of authoritarianism its regime must construct not only new political institutions but also a new political ideology that can guide policy and provide a sense of mission The new ideology is crucial for legitimacy at home and abroad as well as the regime's long term viability In *The Return of Ideology* Cheng Chen compares post communist regimes with a focus on Russia under Putin and post Deng China investigating the factors that affect the success of an ideology building project and identifies the implications for international affairs Successful ideology building requires two necessary but not sufficient conditions The regime must establish a coherent ideological repertoire that takes into account the nation's ideological heritage and fresh surges of nationalism Also the regime must attract and maintain a strong commitment to the emerging ideology among the political elite Drawing on rich primary sources including interviews surveys political speeches writings of political leaders and a variety of publications Chen identifies the major obstacles to ideology building in modern Russia and China and assesses their respective long term prospects Whereas creating a new regime ideology has been a protracted and difficult process in China it has been even more so in Russia The ability to forge an ideology is not merely a domestic concern for these two nations but a matter of international import as these two great powers move to assert and extend their influence in the world

The ^ADark Double Andrei P. Tsygankov, 2019-03-01 In *Dark Double* Andrei P Tsygankov focuses on the driving power of values and media in addition to political and economic interests in structuring US Russia relations By analyzing mainstream US newspapers and other media sources Tsygankov identifies five media narratives involving Russia since the Cold War's ends and shows how Americans negative views toward Russia draw from a deep wellspring of suspicion and are further enhanced by a biased media that regularly exploits such negativity Russia's centralization of power and anti American attitudes

Unveiling the Magic of Words: A Overview of "**Russia S Foreign Policy Change And Continuity In National Identity**"

In a global defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their capability to kindle emotions, provoke contemplation, and ignite transformative change is truly awe-inspiring. Russia S Foreign Policy Change And Continuity In National Identity Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Russia S Foreign Policy Change And Continuity In National Identity PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational

resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Russia S Foreign Policy Change And Continuity In National Identity PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Russia S Foreign Policy Change And Continuity In National Identity free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Russia S Foreign Policy Change And Continuity In National Identity Books

What is a Russia S Foreign Policy Change And Continuity In National Identity PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Russia S Foreign Policy Change And Continuity In National Identity PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Russia S Foreign Policy Change And Continuity In National Identity PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Russia S Foreign Policy Change And Continuity In National Identity PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Russia S Foreign Policy Change And Continuity In National Identity PDF?** Most PDF editing

software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
