*Rv Living: How to Make the Transfer to an Rv Lifestyle Smooth (Easy to Follow Tips and Tricks to Boon docking, Trailer, and Motor home Lifestyle)* Gerard Quinton, 2011-01-01 The idea of living free and being able to travel anywhere is something which appeals to many people. This is especially true of mid-lifers who are tired of the rat race and want to feel alive in a whole new way. Full-time RV living can provide this sense of freedom while also keeping the comforts of home close by. Unlike vacations that last for a few days and consist of tiny hotel rooms or expensive resorts, RV living can provide a full-time escape from the world without the feeling of having to eventually return home. While this dream can change a person's life, there are many things to consider before selling all and striking out into the wild blue yonder. This book will reveal some of the more critical factors to take into account when considering this lifestyle and thus ensure that you have the best chance at making this new way of life a profound success. Here is just a fraction of what you'll learn: Vital questions you need to ask yourself; What the different types of RV have to offer you; Tips and tricks for buying your first RV; Getting on the road; on how to stay there; Common problems and how to fix them; And that is just the beginning. So don't delay it any longer. Take this opportunity and invest in this guide now. You will be amazed by the amount of information you will be able to find in one place. With this one guide, you will not only be able to talk intelligently about this lifestyle you are exploring, but it will actually help you answer some of the pressing questions that are rolling around in the back of your mind.
