

The Same Sex Marriage Should Be Legalized.

The same sex marriage has been widely debated in many countries for a long time. It is an important issue because it concerns basic moral and human rights. Nowadays, many gay couples have come out and expressed their sexuality choices. Although many people are against the legalization of same sex marriage, the same sex marriage should be legalized because it is their civil rights which is a separate institution with religious, it encourages strong family value and leads to the increasing number of child adoption, and the same sex marriage also brings a lot of financial benefits.

Many people believe that the same sex marriage should not be legalized because it goes against the moral and the definition of marriage. According to MarketWatch magazine (2008), a lot of people believe that same sex marriages destroy family values and the sanctity of tradition. Moreover, the same sex marriage goes against many religious beliefs such as Catholicism and Islam. However, civil and religious marriages are two separate institutions. Joe Solmoneses, the president of the Human Rights Campaign Foundation, claims that marriage is not only a significant religious meaning but it is also a legal contract. Many couples would not require any religious leaders to perform their marriages. So the frames of the religious and law were separated.

While a lot of people strongly believe that children need a mother and a father. According to the National Institutes of Health (2008), girls who are raised apart from their father are reportedly at higher risk for early sexual activities. Same sex households are not appropriate for raising children. On the other hand, Dr. Peggy Drexler, author of 'Our Father, Ourselves, Daughters and the Changing American Family', claims that from her studies children raising in the same sex households felt more open-minded and empathetic than other children. According to the research, the quality of a family's relationship is more important than the particular structure of families. Moreover, research studies from the Human Rights Campaign Foundation also shows that children raised by gay parents do just as well as children raised by straight couples.

Another reason why same sex marriages should be legalized is financial benefits. Even though some people felt uncomfortable to have their tax used to support something they find wrong, they think legalizing gay marriage might cost too much tax money. However, same sex couples also pay tax as everybody, so they have the right to receive the same benefit with others. Moreover, the same sex marriage will gain a lot of financial benefits through marriage licenses, higher income taxes and decrease in cost for state benefit programs. Joe Solmonese argues that legalized gay marriage would reduce tax used on public assistance programs.

Treating same-sex couples as families under law could even save taxpayers money because marriage would require them to assume legal responsibility for their joint living expenses and reduce their dependence on public assistance programs such as Medicaid, Temporary Assistance to Needy Families, Supplemental Security Income disability payments and food stamps.

(“Answer to Questions About Marriage Equality”, www.hrc.org, 2009)

Therefore, the same financial benefits that apply to man-woman marriages apply to same-sex marriages.

Same Sex Marriage Argumentative Essay

Same Sex Marriage Argumentative Essay:

Moral Argument, Religion, and Same-sex Marriage Gordon Albert Babst, Emily R. Gill, Jason Pierceson, 2009-01-01 The diverse expert contributors to this volume from the fields of politics and law use moral argumentation with respect to same sex marriage gay rights in general and California's Prop 8. The arguments are advanced in terms of the nation's foundational political and legal principles extending ethical argumentation to important contemporary public policy areas such as marriage the separation of church and state and the rearing of children. Several chapters also contest the perceived if not actual establishment in the law and public policy of heterosexist and religious bias that continues to work against full and meaningful inclusion of sexual minorities. This bias is ironically and improperly couched in the language of American political and religious values and it misunderstands the nation's core principles or willfully miscasts them as inapplicable to many Americans and their families. Nonetheless this bias is pervasive in the nation's political discourse working to deny an important right and the recognition of equality to many citizens. The main contribution of Moral Argument Religion and Same Sex Marriage is in its direct engagement with the political and legal arguments of the gay community's critics on their own moral and ethical terms. Along the way important concepts in public discourse such as governmental neutrality the right to marry and religious freedom are presented and cast in the light of liberal democratic theory. **Debating Same-Sex Marriage** John Corvino, Maggie Gallagher, 2012-03-01 Polls and election results show Americans sharply divided on same sex marriage and the controversy is unlikely to subside anytime soon. Debating Same Sex Marriage provides an indispensable roadmap to the ongoing debate. Taking a point counterpoint approach John Corvino a philosopher and prominent gay advocate and Maggie Gallagher a nationally syndicated columnist and co founder of the National Organization for Marriage explore fundamental questions: What is marriage for? Is sexual difference essential to it? Why does the government sanction it? What are the implications of same sex marriage for children's welfare for religious freedom and for our understanding of marriage itself? While the authors disagree on many points they share the following conviction: Because marriage is a vital public institution this issue deserves a comprehensive rigorous thoughtful debate. Measurement and Evaluation in Post-Secondary ESL Glayol V. Ekbatani, 2010-10-04 Practical and concise this introductory text for language teaching professionals is a guide to ESL assessment and to fulfilling the testing component of TESOL programs in the U.S. and around the world. Covering the fundamental descriptive and quantitative facets of effective language testing it explicates key technical aspects in an accessible non technical manner. Each chapter includes relevant practical examples and is augmented by a partnered project that provides practical opportunities for readers to apply the concepts presented in real testing situations. Measurement and Evaluation in Post Secondary ESL Discusses effective methods of evaluating the language proficiency of college bound English language learners in various skills areas such as reading oral proficiency and writing. Takes a fresh look at accepted assessment concepts and issues such as validity and reliability construct definition.

authenticity washback reliable scoring rater training holistic and analytic rubrics standardized tests and statistical concepts Places special emphasis on innovative methods and alternative forms of assessment such as self and portfolio assessment as an adjunct to traditional methods Reviews the changes in the new internet based Test of English a Second Language launched in 2005 Addresses the role and responsibilities of assessors *Reader's Guide to Lesbian and Gay Studies* Timothy Murphy, 2013-10-18 The Reader's Guide to Lesbian and Gay Studies surveys the field in some 470 entries on individuals Adrienne Rich arts and cultural studies Dance ethics religion and philosophical issues Monastic Traditions historical figures periods and ideas Germany between the World Wars language literature and communication British Drama law and politics Child Custody medicine and biological sciences Health and Illness and psychology social sciences and education Kinsey Report **Same-Sex Marriage and American Constitutionalism** Murray Dry, 2017-12-12 The two decades long controversy over same sex marriage in the United States was finally resolved on June 26 2015 when the U S Supreme Court handed down its decision in *Obergefell v Hodges* which held that the Fourteenth Amendment's Due Process and Equal Protection Clauses required states to allow same sex couples to marry on the same terms as opposite sex couples Under our American system of government divisive and often abiding disputes may be resolved either through legislation or judicial decisions In *Same Sex Marriage and American Constitutionalism* Murray Dry explains why the process by which Americans arrive at these resolutions can be as important as the substance of the resolutions themselves By taking up the question of same sex marriage Dry excavates the bases of why and how Americans decide as we do and as we have done when major questions arose in the past think school integration abortion gun control and campaign finance As Professor Dry retraces the path that same sex marriage took as it wended its way through the political that is the legislative process and through the court system he finds a vivid framework for the question Who should decide It's a question often overlooked but one that Dry believes should not be He argues convincingly that it does matter whether the Supreme Court or the legislature makes the final decision so that court mandated law does not threaten democratic representative government and so that legislation does not trample on fundamental constitutional rights *Marriage and Same-Sex Unions* Lynn D. Wardle, Mark Strasser, William C. Duncan, David Orgon Coolidge, 2003-04-30 This book exemplifies the high quality of thoughtful discussion and debate that is possible on the issue of same sex marriage Authors are paired to address and respond to a particular topic one in favor of state recognition of same sex relationships and one in favor of limiting state recognition to those relationships that have been traditionally recognized as marriages Proposals to legalize same sex marriage evoke strong response from those on both sides of the debate Much has been written about the legal policy issues over the legal recognition of same sex unions in the United States yet there has been little dialogue and exchange between participants in the debate This book attempts to open that dialogue and to exemplify the high quality of thoughtful discussion and debate that is possible Authors are paired to address and respond to a particular topic one in favor of state recognition of same sex relationships and one in

favor of limiting state recognition to those relationships that have been traditionally recognized as marriages This ideal introduction is designed to lead the reader through the relevant issues progressing from the general to the particular Debates are contextualized offering comparative historical and family policy perspectives asking fundamental questions such as what is the purpose of a family and what interests if any that state has in promoting a particular type of family over others Issues of jurisprudence and political philosophy are examined addressing the public benefits of marriage and equal treatment before the law among other items The constitutionality of same sex marriage or domestic partnership policies is explored Finally this book covers the broad implications when states such as Vermont legally recognize same sex unions and the impact of international recognition of same sex marriage rights *New Essays on the Fish-Dworkin Debate* Thomas Bustamante, Margaret Martin, 2023-08-24 This book considers the seminal debate in jurisprudence between Ronald Dworkin and Stanley Fish It looks at the exchange between Dworkin and Fish initiated in the 1980s and analyses the role the exchange has played in the development of contemporary theories of interpretation legal reasoning and the nature of law The book encompasses 4 key themes of the debate between these authors legal theory and its critical role interpretation and critical constraints pragmatism and interpretive communities and some general implications of the debate for issues like the nature of legal theory and the possibility of objectivity The collection brings together prominent legal theorists and one of the protagonists of the debate Professor Stanley Fish who concludes the collection with an interview in which he discusses the main topics discussed in the collection **The Philosophy of Sex** Alan Soble, Nicholas P. Power, Raja Halwani, 2008 Thirty contemporary essays that explore philosophically conceptually and theologically the nature social meanings and morality of contemporary sexual phenomena From publisher description **Legal Recognition of Same-Sex Partnerships** Robert Wintemute, Mads Andenas, 2001-10-23 Should same sex couples be permitted to marry Or should a separate institution of registered partnership or civil union be created for them Or should the rights and duties of unmarried different sex couples be extended to them Should they be allowed to adopt each other's children or jointly adopt an unrelated child How should they be treated with regard to employment social security pensions housing immigration taxation inheritance and divorce These questions are being debated around the world as lesbian gay bisexual and transgendered persons increasingly but not uniformly insist that they cannot be truly equal without equal treatment for the loving and lasting relationships they form with their partners In *Legal Recognition of Same Sex Partnerships* an international team of scholars examines both theoretical issues and the wide variety of legal developments in the United States Canada Brazil thirteen European countries Israel South Africa India Japan China Australia and New Zealand as well as under European Community and European Convention law and United Nations human rights law *Good Reasoning Matters!* Leo Groarke, Christopher W. Tindale, Linda Carozza, 2025-10-03 *Good Reasoning Matters* teaches students how to decipher evaluate analyze construct and engage in argument This sixth edition incorporates many timely topics including the impact of artificial intelligence and

social media on how we propose and respond to arguments The instruction in the book is rooted in traditional philosophical understandings of argument but is expanded to account for the complexities that characterize real life arguments This includes an examination of the role that images sounds and other non verbal components play in attempts to convince us of some point of view in advertising television YouTube film interpersonal exchange and elsewhere Numerous and varied exercises formative within the chapters and summative at their end help students improve their reading reasoning and writing skills Instructors will find the text is informed by research in digital pedagogy and works well in a variety of course formats in person remote hybrid and synchronous or asynchronous delivery The authors expertise in argumentation theory and decades of teaching experience ensure that this book prepares students for the complexities of arguing in the 21st century

Research Handbook on Gender, Sexuality and the Law Chris Ashford,Alexander Maine,2020-03-28 This innovative and thought provoking Research Handbook explores not only current debates in the area of gender sexuality and the law but also points the way for future socio legal research and scholarship It presents wide ranging insights and debates from across the globe including Africa Asia Eastern Europe and Australia with contributions from leading scholars and activists alongside exciting emergent voices

The Democratic Theory of Hans-Georg Gadamer Darren Walhof,2016-11-29 This book examines the distinctive contribution that the writings of Hans Georg Gadamer make to democratic theory Walhof argues that Gadamer s hermeneutical philosophy enlarges our perspective by shifting our view away from individual citizens to what exists between citizens thereby allowing us to envision political realities that are otherwise hard to see These realities include the disclosure of truth in democratic politics achieving common ground in democratic dialogue even amidst significant disagreement and diversity the public and political nature of the religious traditions that make claims on and shape citizens and the solidarities that connect us to each other and enable democratic action The author argues that bringing these dimensions to awareness enriches our theories of democracy and is particularly crucial in an era of hyper partisanship accelerating inequality and social conflicts involving racial sexual and religious identities

The Structure of Argument Annette T. Rottenberg,Donna Haisty Winchell,2011-08-03 The Structure of Argument covers critical thinking reading writing and research It is concise but thorough and presents everything students need in an affordable compact format The Structure of Argument includes questions exercises and writing assignments and a full semester s worth of readings Now presenting Aristotelian and Rogerian as well as Toulmin argument it includes many fresh readings and additional support for academic writing to help students stake their claim Its emphasis on Toulmin argument makes Structure highly teachable since the approach fits with the goals of the composition course An electronic edition is available at half the price of the print book

Applied Ethics Larry May,2017-07-05 This best selling text continues to fill an existing gap in the literature taught in applied ethics courses As a growing number of courses that include the perspectives of diverse cultures are being added to the university curriculum texts are needed that represent more multicultural and diverse

histories and backgrounds This new edition enhances gender coverage as nearly half of the pieces are now authored by women The new edition also increases the percentage of pieces written by those who come from a non Western background It offers twelve up to date articles not found in previous editions on human rights environmental ethics poverty war and violence gender race euthanasia and abortion all of these topics are addressed from Western and non Western perspectives

Law and the Restoration Nathan B. Oman,2024-08-20 Law and the Restoration Law and Latter day Saint Thought and Scripture is a comprehensive exploration of the intricate relationship between legal principles and the doctrines of The Church of Jesus Christ of Latter day Saints Author Nathan B Oman delves into the profound ways in which Mormon theology intersects with legal concepts offering readers a detailed analysis of church doctrines their authority and their implications for members daily lives In doing so Oman addresses foundational questions about the nature of church authority the role of personal judgment and the dynamic interplay between divine law and secular legal systems The book is not just an academic treatise but a thoughtful discourse aimed at elucidating how Mormons navigate complex moral and legal landscapes in their quest to reconcile faith with modern societal norms Each chapter in Law and Latter day Saint Thought and Scripture serves as a deep dive into specific aspects of Mormon doctrine and its legal ramifications From the examination of Nephi s actions in the Book of Mormon to the contemporary debates surrounding same sex marriage and civil disobedience Oman provides a balanced and respectful analysis that seeks to understand rather than critique This book is an invaluable resource for scholars legal practitioners and anyone interested in the intersection of religion and law providing a rich narrative that underscores the ongoing dialogue between faith and jurisprudence within the Latter day Saint tradition

The Triumph of Love Eric Reitan,2017-07-31 Recent years have witnessed an astonishing cultural and legal shift when it comes to homosexuality and same sex marriage Many Christians see these changes as a defeat for Christian values often painting Christian opponents as sell outs to secular culture But can there be a genuinely Christian case for same sex marriage This book makes that case While sensitive to scriptural issues it focuses on a question that cannot be answered by Scripture alone What does love for our gay and lesbian neighbors demand This question calls us to pair theological philosophical and scriptural reflection with something else attention to gay and lesbian lives We must attend to the psychological research and more importantly to the stories our gay and lesbian neighbors tell us about themselves and their experience Love does not permit us to plug our ears with Bible verses While this book argues that Christian love calls us to make same sex marriage available the deeper conclusion is that Christian values prevail when we wrestle with these questions in a spirit of love love for those with whom we disagree and love for those most affected by the decisions we reach

Why the Middle Ages Matter Celia Chazelle,Simon Doubleday,Felice Lifshitz,Amy G. Remensnyder,2012-02-20 The word medieval is often used in a negative way when talking about contemporary issues Why the Middle Ages Matter refreshes our thinking about this historical era and our own by looking at some pressing concerns from today s world asking how these issues were really

handled in the medieval period and showing why the past matters now The contributors here cover topics such as torture marriage sexuality imprisonment refugees poverty work the status of women disability race political leadership and end of life care They focus on a variety of regions from North Africa and the Middle East through Western and Central Europe to the British Isles This collection challenges many negative stereotypes of medieval people revealing a world from which for instance much could be learned about looking after the spiritual needs of the dying and about integrating prisoners into the wider community through an emphasis on reconciliation between victim and criminal It represents a new level of engagement with issues of social justice by medievalists and provides a highly engaging way into studying the middle ages All the essays are written so as to be accessible to students and each is accompanied by a list of further readings

Same-Sex Couples before National, Supranational and International Jurisdictions Daniele Gallo, Luca Paladini, Pietro Pustorino, 2013-12-02 The present volume focuses on the jurisprudence of national supranational and international jurisdictions and quasi jurisdictions as regards the legal status of same sex couples Its aim is to explore the content rationale functioning and potential of the different jurisdictions reasonings and their contribution to the strengthening of LGBTI rights and duties As a consequence the book tries to convey the complexities and controversies that derive from the judicial recognition of same sex couples across the world taking always into account the relationship of the judiciary with the executive and the legislature and the related problems of legitimacy and democracy The volume deals with this issue and considers it as a crucial test for modern democracies and contemporary societies *Public Reason and Political Community* Andrew Lister, 2013-10-24 Public Reason and Political Community defends the liberal ideal of public reason against its critics but as a form of moral compromise for the sake of civic friendship rather than as a consequence of respect for persons as moral agents At the heart of the principle of public justification is an idealized unanimity requirement which can be framed in at least two different ways Is it our reasons for political decisions that have to be unanimously acceptable to qualified points of view otherwise we exclude them from deliberation or is it coercive state action that must be unanimously acceptable otherwise we default to not having a common rule or policy on the issue at hand Andrew Lister explores the anti perfectionist dilemma that results from this ambiguity He defends the reasons model on grounds of the value of political community and applies it to recent debates about marriage **Writing Arguments** Allyn & Bacon, Incorporated, 2000-07

Whispering the Secrets of Language: An Psychological Quest through **Same Sex Marriage Argumentative Essay**

In a digitally-driven world wherever displays reign supreme and instant connection drowns out the subtleties of language, the profound strategies and mental nuances hidden within words usually go unheard. Yet, nestled within the pages of **Same Sex Marriage Argumentative Essay** a charming fictional prize pulsating with raw thoughts, lies a fantastic quest waiting to be undertaken. Composed by a skilled wordsmith, that marvelous opus encourages viewers on an introspective trip, gently unraveling the veiled truths and profound influence resonating within the very cloth of every word. Within the psychological depths of the poignant review, we shall embark upon a honest exploration of the book is core styles, dissect their fascinating writing style, and yield to the powerful resonance it evokes deep within the recesses of readers hearts.

Same Sex Marriage Argumentative Essay Introduction

In today's digital age, the availability of Same Sex Marriage Argumentative Essay books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Same Sex Marriage Argumentative Essay books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Same Sex Marriage Argumentative Essay books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Same Sex Marriage Argumentative Essay versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Same Sex Marriage Argumentative Essay books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Same Sex Marriage Argumentative Essay books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Same Sex Marriage Argumentative Essay books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to

digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Same Sex Marriage Argumentative Essay books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Same Sex Marriage Argumentative Essay books and manuals for download and embark on your journey of knowledge?

FAQs About Same Sex Marriage Argumentative Essay Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Same Sex Marriage Argumentative Essay is one of the best book in our library for free trial. We provide copy of Same Sex Marriage Argumentative Essay in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Same Sex Marriage Argumentative Essay. Where to download Same Sex Marriage Argumentative Essay online for free? Are you looking for Same Sex Marriage Argumentative Essay PDF? This is definitely going to save you time and cash in something you should think
