

Private settlement for motor accidents

When involved in a motor accident, you are required to report accident (whether claiming under own policy or not) with accident vehicle (whether damage or not) to our reporting centres within 24 hours or the next working day after the accident. Failure to report or late reporting of accident will result in Insured's NCD reduction, upon the next renewal of your motor policy.

You can choose to enter into a private settlement with the owner of the other car if there are no personal injuries and damages are minor. Under a private settlement, both parties agree to settle the matter amicably without suing each other. It is a legally binding agreement.

Income policyholders should send the signed form to Fax No. 6308 1500 or email attachment to mot.or@income.com.hk. Income will then take up the case on your behalf should the other party decide to lodge a claim subsequently. Your NCD will be protected even if we have to pay the claim.

Income collects, uses and discloses the information in this claim form for insurance and claims administration purposes. For more details about Income's Privacy Policy, please visit www.income.com.hk/privacy-policy
