Welburn,Joshua Guetzkow,Nissim Mizrahi,Hanna Herzog,Elisa Reis,2018-11-27 A comparative look at how discrimination is experienced by stigmatized groups in the United States Brazil and Israel Racism is a common occurrence for members of marginalized groups around the world Getting Respect illuminates their experiences by comparing three countries with enduring group boundaries the United States Brazil and Israel The authors delve into what kinds of stigmatizing or discriminatory incidents individuals encounter in each country how they respond to these occurrences and what they view as the best strategy whether individually collectively through confrontation or through self improvement for dealing with such events This deeply collaborative and integrated study draws on more than four hundred in depth interviews with middle and working class men and women residing in and around multiethnic cities New York City Rio de Janeiro and Tel Aviv to compare the discriminatory experiences of African Americans black Brazilians and Arab Palestinian citizens of Israel as well as Israeli Ethiopian Jews and Mizrahi Sephardic Jews Detailed analysis reveals significant differences in group behavior Arab Palestinians frequently remain silent due to resignation and cynicism while black Brazilians see more stigmatization by class than by race and African Americans confront situations with less hesitation than do Ethiopian Jews and Mizrahim who tend to downplay their exclusion The authors account for these patterns by considering the extent to which each group is actually a group the sociohistorical context of intergroup conflict and the national ideologies and other cultural repertoires that group members rely on Getting Respect is a rich and daring book that opens many new perspectives into and sets a new global agenda for the comparative analysis of race and ethnicity      *Lemon-Aid New and Used Cars and Trucks 1990-2016* Phil Edmonston,2015-11-21 This book steers buyers through the the confusion and anxiety of new and used vehicle purchases unlike any other car and truck book on the market Dr Phil Canada s best known automotive expert for more than forty five years pulls no punches      **The Color of Asylum** Katherine Jensen,2023-09-05 Congolese migrants wait in long lines in unbearable heat to see immigration officials while Syrians go through an expedited process And while Syrian migrants reported a relaxed and comfortable environment while meeting with immigration officials Congolese migrants were met with distrust and suspicion as they recounted the harrowing and traumatic stories of life in their home country As Jensen shows Syrians are treated so differently from other asylum seekers because the Brazilian state recognizes them as white This dates back to Brazilian immigration policy that followed the abolition of slavery Eager to whiten its population Brazil welcomed a first wave of Syrian and Lebanese immigrants a precedent that would affect the nation s policy toward Syrian refugees in the twenty first century On the other hand anti black racism shapes the experiences of Congolese and other African refugees and entrenches racial inequalities even among
