

# SAMPLE LETTER OF RECOMMENDATION FOR NURSES

To the Greenwood Nursing School Board of Admissions:

It is a great pleasure to be able to write this sample letters of recommendation for nurses to support Ms. Tammy Watkins, a very talented pre-nursing student that I have had the pleasure of working with for the past two years. Prior to attending University full-time to complete her Bachelor's degree in pre-nursing, Ms. Watkins worked in my clinic as a Nursing Assistant. During her two years in my clinic, she demonstrated herself to be an extremely bright and capable individual with a genuine compassion and care for patients. I truly believe that she is suited for continuing her education in the field, and that she will make an excellent nurse in the future.

When Ms. Watkins first started at our clinic, it became obvious that she took her position very seriously, and was genuinely interested in the field. Patients commented on her excellent bedside manner, and her highly professional work style. She was able to connect with patients very quickly, and was able to get some of them to supplement vital information that was not included on their health records. Additionally, she was very adept in performing her job duties, and ensured that each patient had their vitals checked and ready for the physician at the scheduled time. I truly commend her for her professionalism and affability.

Throughout the office, Ms. Watkins was well-liked by all the staff, and she always cheerily volunteered to help cover for her co-workers whenever they had an emergency. She is a true team player that also has a strong interest in helping patients manage disease. I believe that she would make an excellent nurse, and is a fantastic candidate for your Nursing program. I have every confidence that she will excel in her studies and rotations, and highly recommend her without any reservation.

Sincerely,  
Richard Barnes, MD
