BattleTech: A Rock and a Hard Place William H. Keith, 2021-09-21 ALIVE OR DEAD Just a few months after their universe shaking campaign on Helm and the distribution of the Helm Memory Core all Grayson Carlyle and his Gray Death Legion want is to settle into their new home on Glengarry But they barely touch down on planet when a Lyran Commonwealth general contacts the GDL intent on hiring them to track down and capture Draconis Combine agents behind a daring raid on Lyons Tracking the Kurita raiders to the Draconis border system of Valdis better known as Wheel Grayson and his people have their work cut out for them The system's main feature is literally a wheel shaped deep space station and recharge facility at the Valdis star's zenith jump point Its structure means a direct assault with BattleMechs will be extremely risky both because of the tight quarters and the very real danger of an errant shot or missile depressurizing and destroying the entire station Also Grayson will be splitting his force with Lori Kalmar providing a decoy operation on the nearby mining planet Valdis I otherwise known as Rock to draw the Combine's attention away from Wheel It's a high risk operation on both ends but Grayson and the GDL have their orders and they intend to capture the Draconis operatives one way or the other even if they have to risk destroying the entire space station to do so **Between Rock and a Hard Place** Robert Parker Mills, 2010-11-23 This book is about the first fear of AIDS case tried in America It tells the untold story of the trial that the general public heard nothing about By telling the true story from the perspective of the lawyer who actually represented the Estate of Rock Hudson it is hoped the reader acting as the 13th juror will see the gross injustice done to the late actor by

Christian and Rocks alleged friend Mark Miller as well as the court the jury and the press all of which were blinded from the truth by this newly discovered disease called AIDS Marc Christian claimed he was given a death sentence because Rock didnt tell him of his AIDS diagnosis and continued to have high risk sex with him 25 years later Christian died not from HIV or AIDS He was never HIV positive How could this be if he was telling the truth that he continued having anal sex with Hudson 3 to 5 times a week for 8 months after Rock was first told he had full blown AIDS Christian was either superhuman and they should clone his blood as a cure for AIDS or he simply didnt tell the truth at trial where Rock Hudson could not defend himself because Christian waited until Rock died and found out he wasnt in his Will before bringing his lawsuit A Rock and a Hard Place Anne Sutcliffe,2006 This gripping novel draws the reader into the chaotic exasperating and at times humorous world of Lucy a mother of three the oldest of whom has severe autism Nine year old Hollie s erratic and often destructive behavior is putting a strain on Lucy s marriage and beginning to negatively affect her younger children In trying to secure the best possible educational situation for her daughter Lucy must choose between sending her daughter away to a boarding school where she has the best chance to learn and keeping her at home with her family but where she will make very little progress While faced with this decision that places Lucy between the proverbial rock and a hard place she meets Joel a man who has offered to help her secure the money she needs to hire specialists for Hollie s due process hearing Lucy is now not only forced to make the most difficult decision of her daughter s young life but the most difficult decision of her own life as well She must choose between an affair with a man who makes her feel alive and her faltering marriage and family

Between a Rock and a Hard Place Oiva W. Between a Rock and a Hard Place Dr. Herldleen Russell,2015-10-29 During a particular period in my life I felt as if I was between the proverbial rock and hard place It was as when the children of Israel in the book of Exodus on their journey to the Promised Land came to a place where Pharaohs army was behind and the Red Seas was in front I could not go forward and had no plans to go backward and the Red Sea would not open up to go forward The frustration of being in that place was terrible and I was at my wits end Just as an airplane arriving at its destination and preparing to land is told that it will not be able to do so because of some unforeseen circumstances is placed in a holding pattern so was I Come journey with me and see and learn what the Lord taught me Life happens to our best laid plans but God orders our steps even when we seemingly are not moving I was not between a rock and a hard place I was in Gods holding pattern
