Little Mermaid and the Disney Fairies franchise Publishers Weekly A fantastic addition to the genre of mermaids this book will also appeal to readers of action and those who appreciate usurped leaders taking back their kingdom It starts with a common enough concept a royal girl who is worried about her betrothal and about love Donnelly then adds layers of complexity to the tale and weaves her story into that of Atlantis Friendship trust and responsibility are major themes as Sera struggles to grasp that she is really her kingdom's only hope Quick witted loveable characters and a well planned fantasy world make this an all encompassing book Readers will eagerly await future volumes and the answers they will provide VOYA Best selling Donnelly Revolution 2010 builds an alluring mermaid civilization and history filled with painterly descriptions of Sera's underwater palace and its unearthly architecture her sumptuous wardrobe and the menagerie of half human half marine animal denizens There's also plenty of romantic tension with handsome mermen strife between mermaids that's girl mermaids from rival regions and some powerful female friendships amid the fast paced plot filled with wondrous magic
