Patrick Lang, 2020-12-31. Here is the epic story of a Walter Lang, a man born into a soldier's family who lives a soldier's life. What makes this adventure particularly compelling is that this young man, who made the traditional stations of the Cross along with his brothers from the epoch, hunting with the uncle, forging through formal education, securing life's love, somehow also contrived to be not merely witness to but major player in the grandest events along the timeline of his century, most significantly the war that traumatized America, the one we did not win, the one that contested our most cherished notions of ourselves, and that provoked in an Army considered the foremost in the world, internal turmoil, anguish, schism. Brigadier General Ret. Alan Farrell, Virginia Military Institute. **Deception Down Under** Carl Nicks, 2020-12-22. In *Deception Down Under*, an American student pilot enrolled in a flight training program on the Space Coast of Florida is lured into smuggling drugs into the country for a powerful Colombian cocaine cartel out of Miami. This young man went from a young naive college student studying aviation management to a full time pilot for a Colombian cocaine cartel which paid him very well to smuggle drugs into the U.S. from the Bahamas in a twin engine airplane. The initial glamour and power of the drug world is deceiving until he was arrested and set up to look like a witness against the cartel by a testimony fabricated by his co-defendant. He was lured into doing this in 1984 in Florida at a well known surf spot in the Space Coast called Sebastian Inlet. It all seemed so simple and he was living in a utopia world not thinking he was ever going to get caught. It was not until after making a lot of money and acquiring a glamorous lifestyle that everything did fall apart and he was trapped between the cartel and the law. Afraid for his life, he decided to adopt a new identity and escaped from America to start another life for himself in Australia. He fled to Australia where he re-established himself and built a new exotic life in Queensland on the Gold Coast. The large frontier *Down Under* is a new test of all of his will to survive on his own in a foreign country where he is a total stranger. As a result of intensive surveillance monitoring his parents' mail and phone taps, the FEDERAL BUREAU OF INVESTIGATION uncovered his deception. He eventually was placed on the F.B.I.'s Top 10 Most Wanted list and was tracked to Australia where he was eventually deported to Hawaii and later deported back to the mainland of the UNITED STATES to face drug charges and accept the reality of incarceration. Once imprisoned, he builds an inner strength and knowledge of life that changed him forever. All of these scenarios combined formed a barrier which was very difficult to overcome. In addition, it destroyed the life which he was meant to have as a respected professional and placed overwhelming anxiety and emotional strain on his family.

The book is being written to describe the upheaval that occurred in this young man's life through the use of drugs and the importation of drugs into this country successfully utilizing the multi level marketing network which he had developed. It also describes the awesome task of re-entering his former life now carrying additional baggage and the struggle he faces in assimilating a REAL LIFE. His story is a powerful testimony for others to learn from because so many people in today's world are vulnerable to the deception of easy money whether in the drug culture on Wall Street or main street. It is also a compelling adventure story from the standpoint of someone recreating a life for himself and then being allowed to live it. The underlying theme of the story is that YOU CAN NOT LIVE A LIE. You cannot discover your own reality until you go back and reweave the fabric of your life.
