Household Book of Poetry Charles Anderson Dana,1906 *The Anonymous Text* Simone Celine Marshall,2010 One of the most intriguing features of *The Assembly of Ladies* an anonymous fifteenth century Middle English poem is that it has remained in print in anthologies for over 500 years Why would a poem about courtly love remain so popular for so long This book analyses the literary and historical publishing evidence about *The Assembly of Ladies* to show that the poem has remained in print not for its literary merit but because its anonymity has allowed it to be appropriated by editors for their own particular social and political causes The book draws together textual contextual and intertextual evidence about all twenty editions of *The Assembly of Ladies* By examining closely how and why a single text is or has been included in canonical traditions over time this study not only reveals the material presence of the text in various traditions but also brings to the foreground the categories scholars continue to use while defining or imagining those traditions **American and British Poetry** Harriet Semmes Alexander,1984 *Howard Kippenberger* Denis Mclean,2012-06-01 Thoughtful and meaty biography of Sir Howard Kippenberger New Zealand war hero and all round good bloke Sir Howard Kippenberger is widely acknowledged as the ideal of a New Zealand citizen soldier and our foremost soldier scholar a country lawyer and provincial intellectual who became a national figure as New Zealanders made the transition from colonials to a forthright nationhood As a military leader editor and author he was one of the prime movers in that process His democratic style of leadership reflected the ethos of a new nation active competent and engaged in the world in its own right no longer a dependency of Britain A second generation New Zealander born in 1897 his military career was probably unique in that he was a 19 year old private soldier in one war and emerged in the next as the commander of choice of what was in effect a national army the 2nd NZ Division whenever the British born and trained Bernard Freyberg was absent Kip was never a regular officer a part time Territorial soldier in peacetime with no formal British staff training he stood in the line of the New Zealand self made man Hard boiled ordinary New Zealanders at war truly admired and respected him not only for his mastery of the business of fighting but because he was known for a very real and deep rapport with his soldiers and concern for their welfare he made men realise that here was one who thought more of them than of himself *Catholic World* ,1896
