IMPORTANT NOTICE

This manual has been provided for the use of authorized YAMAHA Dealers and their service personnel.

It has been assumed that basic service procedures already in the industry, and those specifically YAMAHA Products, are already known and understood by the user, and have therefore not been included.

WARNING: Failure to follow appropriate service and safety procedures while servicing this product may result in personal injury, destruction of expensive components, and failure of the product to perform as specified. For these reasons, we advise all YAMAHA product owners that any service required should be performed by an authorized YAMAHA Dealer or the appointed service representative.

IMPORTANT: The presentation or sale of this manual to any individual or firm does not constitute instruction, consultation or recognition of any applicable national regulations, or standards or copyright-protected material of any form.

The data provided is believed to be accurate and applicable to the YAMAHA product of the cover. The manual, its design, and service department of YAMAHA are not liable for any damage to YAMAHA product. Modifications, use, misuse, operation and specifications are subject to change without notice or obligation to advise. Should any discrepancy appear in this, please contact the distributor Service Division.

WARNING: Safety discharge can destroy expensive components. Discharge any static electricity from your body. May have been caused by grounding yourself to the ground line in the case (Safety discharge block when in case of the test).

IMPORTANT: Turn the main OFF during assembly and your replacement. Disconnect all work before you apply power to the unit.
