

To my dear student,

It has been an incredible school year and I am so proud of you. You have worked so hard and have made so much great progress this year. We shared many wonderful memories and have also had fun learning!

My wish for you is that you see in yourself the potential that I see in you. Compliment others and be proud of your own accomplishments.

Try hard but know your own limits. Ask for help when you need it and trust that others will help you.

Fill your heart with laughter and smile often. I love to see you smile. You are unique, special and an amazing person. I appreciate you.

As it says in our classroom, "Think, Dream, Achieve". You can do anything that you put your heart and your mind to. Believe in yourself. I believe in you. I will miss you and I hope that you will come and see me. You will be off for another adventure next year.

Good luck in Grade 4!

Love, Ms. Paula

English Language Arts the Kindergarten Way Molly Cochell, Laura Fullmer, 2017 Kindergarten teachers know that a child's first taste of school should be engaging active social and fun Yet teachers are presented with a challenge How do they nurture the holistic exploratory nature of early childhood while teaching with the intentionality and rigor required to meet learning goals Let this resource pave the way English Language Arts the Kindergarten Way contains methods for teaching foundational reading skills building vocabulary inspiring and developing writing and helping children respond to literature and informational text while inherently fulfilling the needs of

the whole child An entire year of activities is included And all activities are classroom tested and naturally infuse visual art music drama poetry movement and puppetry so that kindergartners meet learning goals their way Write This Way from the Start Kelly Boswell,2017-09-29 As teachers the beginning of each school year presents us with fresh starts and opportunities How will we build community and create a culture that values thinking learning and risk taking How can we create a safe environment where all learners feel welcome and valued As writing teachers it s of utmost importance that we launch our students into the world of writing in a way that engages them and helps to build their confidence In this book Kelly Boswell shares a variety of ways to kick start the school year and invite students to engage in meaningful purposeful and joyful writing experiences

In the Best Interest of Students Kelly Gallagher,2023-10-10 In his new book In the Best Interest of Students Staying True to What Works in the ELA Classroom teacher and author Kelly Gallagher notes that there are real strengths in the Common Core standards and there are significant weaknesses as well He takes the long view reminding us that standards come and go but good teaching remains grounded in proven practices that sharpen students literacy skills Instead of blindly adhering to the latest standards movement Gallagher suggests Increasing the amount of reading and writing students are doing while giving students more choice around those activitiesBalancing rigorous high quality literature and non fiction works with student selected titlesEncouraging readers to deepen their comprehension by moving beyond the four corners of the text Planning lessons that move beyond Common Core expectations to help young writers achieve more authenticity through the blending of genresUsing modeling to enrich students writing skills in the prewriting drafting and revision stagesResisting the de emphasis of narrative and imaginative reading and writingAmid the frenzy of trying to teach to a new set of standards Kelly Gallagher is a strong voice of reason reminding us that instruction should be anchored around one guiding question What is in the best interest of our students

Visible Learning for Literacy, Grades K-12 Douglas Fisher,Nancy Frey,John Hattie,2016-03-22 Every student deserves a great teacher not by chance but by design Douglas Fisher Nancy Frey John Hattie What if someone slipped you a piece of paper listing the literacy practices that ensure students demonstrate more than a year s worth of learning for a year spent in school Would you keep the paper or throw it away We think you d keep it And that s precisely why acclaimed educators Douglas Fisher Nancy Frey and John Hattie wrote Visible Learning for Literacy They know teachers will want to apply Hattie s head turning synthesis of more than 15 years of research involving millions of students which he used to identify the instructional routines that have the biggest impact on student learning These practices are visible for teachers and students to see because their purpose has been made clear they are implemented at the right moment in a student s learning and their effect is tangible Yes the aha moments made visible by design With their trademark clarity and command of the research and dozens of classroom scenarios to make it all replicable these authors apply Hattie s research and show you How to use the right approach at the right time so that you can more intentionally design classroom experiences that hit the surface deep and transfer phases of

learning and more expertly see when a student is ready to dive from surface to deep Which routines are most effective at specific phases of learning including word sorts concept mapping close reading annotating discussion formative assessment feedback collaborative learning reciprocal teaching and many more Why the 8 mind frames for teachers apply so well to curriculum planning and can inspire you to be a change agent in students lives and part of a faculty that embraces the idea that visible teaching is a continual evaluation of one s impact on student s learning Teachers it s time we embrace the evidence update our classrooms and impact student learning in wildly positive ways say Doug Nancy and John So let s see Visible Learning for Literacy for what it is the book that renews our teaching and reminds us of our influence just in time
