involved Now every decision could cost them their freedom or their lives Rogue Lies Book Two The secret is out Tate Carlisle had been the most popular up and coming television journalist until she d been unfairly fired Now she d been recruited to join an elite and well trained team to fight the secret group aiming to rule the world from the shadows Tate uses her own talents to uncover the true story Major pieces of the puzzle begin to fit together as more culprits are identified As she works through the investigation she quickly discovers the people in the shadows will stop at nothing to stay anonymous Birch Stratton s unlikely rise to be the most powerful man in the country has placed him in a unique position to stop an anonymous group from stealing control of the government Birch was never meant to be president Instead the increasingly popular former Army Officer offering a new vision had been neutralized by those he believed to be his political allies when he was nominated and elected Vice President When the elected president unexpectedly dies Birch assumes the presidency and is thrust into the secret world of bribes extortion affairs and a battle for the soul of the United States Tate s new job as White House Press Secretary puts her in the line of fire from all sides When she and Birch find themselves falling for each other they are torn between their jobs duty and their hearts Split second decisions are now a matter of life and death but will the next lead story be about her death or those she cares about Shattered Lies Book Three The time has come to step out of the shadows Valeria McGregor was a better shot a better fighter and smarter than everyone she d ever gone up against as an agent for the DEA Then she d uncovered illegal activity within her own organization and was fired as part of a cover up Valeria is offered a chance to get back in the game as part of a secret elite group reporting only to the president Valeria fully plans to find the men and women hell bent on ruling the world from the shadows but she also has revenge on the mind Valeria secretly left her new team thinking she could go undercover to get to the bottom of how the shadow group was funded Valeria discovered too late that when it comes to true evil it s best to face it with your team at your back Alone and on the run Valeria finds herself being hunted by some of the most dangerous people on the planet She has learned how the shadow group has been funded and what they have planned next but she still has to find out where before it s too late If the shadow group pulls off their next move then there may be no stopping them Grant Macay would do anything for his former Air Force Pararescue team leader Dalton Cage So when Dalton calls and invites Grant into the fold he doesn t hesitate to drop everything to rescue Valeria With her past at the DEA threatening her survival and the world s most vicious drug lord hunting her a feisty Valeria and Grant must make their way back to the team to prepare for the battle of their lives This woman is unlike anything he s experience before and it doesn t take long for the sparks to fly as well as bullets With time running out Grant could only hope he and Valeria would be the ones left standing *Dark Web* Daniel West,2017-08-10
