Our Savior Jesus Messiah - Volume III Bryan Young Weight, 2018-02-19

Volume III unlocks the Messianic references in the Old Testament that Jesus Christ came to fulfill from a forensic point of view The third volume helps people who want to know why the Jews crucified Jesus and how Pilate was manipulated into doing it Beyond the last week in the life of the Messiah and His blood atonement this concluding volume reveals

extraordinary events that precede the Lord's Second Coming and what life will be like during His Millennial reign Finally Volume III uncovers what three different religions say about Christ in their respective scriptures using a comparison contrast format

Our Savior Jesus Messiah - Volume II Bryan Young Weight, 2015-09-14 Volume II in the series continues to explore the writings of the prophets that identify Jesus as the promised Messiah The second volume demonstrates that the ancient prophets of God recognized sacrifice and Passover to be symbolic representations of Christ's Atonement in the future All prophets believed in Jesus before the label Christianity existed The prophets not only spoke of the Messiah's birth they also wrote about events in His life and millennial reign Specific in life prophecies or personal experiences in the lives of Abraham Isaac Jacob Joseph and Moses are examined that foreshadow the mission and teachings of Jesus the Messiah The second volume points out that the Lord commanded Adam Eve and their posterity to worship God by offering animal sacrifice This segment of *Jesus Messiah* makes clear why Abel's offering was righteous and why the Lord rejected Cain's sacrifice The text

acknowledges that sacrifice by the shedding of blood pre dates Moses and that the Jews discontinued this practice shortly after they crucified Jesus This fact correlates well with the sacrificial offering of Jesus Christ upon the cross in fulfillment of the Mosaic Law It was not coincidental that the Hebrews abandoned blood sacrifice after four thousand years of practice and that the Jews embraced a different sort of sacrifice Volume II addresses a broad spectrum of offerings and sacrifices as described in the Old Testament and discusses how they were entwined with the Mosaic Law Passover and Annual Day of Atonement Also discussed are their respective representations of the Messiah The second stage in this study explains that Abraham and all the prophets before Moses believed in forgiveness by living the Higher Law of Christ outlined in the Sermon on the Mount The Law of Moses did not exist and the Lord did not specify this Law until the children of Israel left Egypt This Law was given to the children of Israel because the posterity of Abraham Isaac and Jacob were not prepared to live the Higher Law Volume II demonstrates how Jesus began to bring back the Higher Law through The Sermon on the Mount and fulfill the Mosaic Law The second volume displays superiority of The Sermon on the Mount over the Mosaic Law using a comparison contrast format Volume II examines the governmental structure of the original Church of Jesus Christ and why Jesus discarded the ecclesiastical structure of the Jews There is also dialog on the two priesthoods within the original Church of Christ and technical analysis of the priesthood offices within these two priesthoods Subsequently the organizational model established by Jesus is compared to churches in our modern era The consequences of not following the blueprints drawn up and sealed by the Master Church Builder are also addressed The latter part of Volume II spotlights the miracles of Jesus It is well known that Christ had the gift of healing He healed the sick cured people of diseases allayed afflictions gave sight to the blind hearing to the deaf tongues to the mute and strengthened the legs of lame people so they could run and walk The New Testament also documents that Jesus brought four dead people back to life one of which was Himself The Messiah's miracles display His supremacy over death and unclean spirits and that He held the power of forgiveness as the Son of God This manuscript emphasizes that some healing miracles were given specifically to prove the divinity of Christ Healing miracles in the New Testament are also compared to healing miracles by Old Testament prophets Near the very end of Volume II there is discussion on the change in Jesus teaching style and why that change was necessary The parables are thrashed about four levels of scriptural insight are dissected and a key is given on how to unlock hidden meanings in the Word of God Specific parables are illustrated as case studies to assist the reader in this learning process
