Main Screen

The main screen is divided into 4 windows: the navigation pane, the view pane and the reading pane and the To-Do Bar. The reading pane is similar to what used to be called the preview pane. Each can be controlled by the View menu.

The Navigation Pane:

The navigation pane has section buttons on it: Mail, Calendar, Contacts, Tasks, Notes, Folder List and Shortcuts. If you do not see all of these buttons, you can resize the pane so that you can see them all by dragging the dark thin blue bar (with dots on it) that divides the screen and drag it up. You can also customize the navigation pane by using the Configure Buttons option on the lower right section of the pane.

You can click on the double-arrow buttons on the navigation pane to minimize the entire pane to a single bar or to just minimize a section of the navigation pane.
