Outrageous Fortune Growing Up At Leeds Castle:

Outrageous Fortune Anthony Russell,2022-11-26 In this memoir Anthony Russell takes us inside his childhood growing up at Leeds Castle with luxury and opulence few can imagine and how he found his way in a changing society Outrageous Fortune Anthony Russell,2025-09-23 In his stunning memoir *Outrageous Fortune* Anthony Russell takes us inside his childhood growing up at Leeds Castle with luxury and opulence few can imagine and how he found his way in a changing society I was lucky with lineage Money and lots of it appeared to grow on trees especially those which adorned the Leeds Castle parkland Ancestors with glowing titles and extraordinary accomplishments filled the history books but there would be consequences for being handed everything of a material nature on a plate with no clear indication of what one might be expected to do with such good fortune Leeds Castle has long been hailed as the loveliest castle in the world Originally built in the twelfth century as a Norman stronghold the castle once housed Kings and Queens but fell into disrepair for nearly a century until Anthony Russell s grandmother Lady Baillie purchased it in 1926 and restored the fortress to its former glory It was in the castle s fairytale setting surrounded by a moat and acres of sprawling grounds that Anthony spent his childhood in the 1950s It was a life of spectacular beauty and privilege but for a shy boy often lonely and fraught with the fear of breaking some unwritten rule of the Castle Way As Anthony reveals in his extraordinarily vivid and frank memoir such a childhood was perhaps not the best preparation for modern life beyond the castle s walls By the end of the 1960s the polite reserve of the Castle Way was starting to give way to unconventional music manners and social freedom simultaneously alluring and alarming to a young man who had grown up in splendid isolation in a world that would soon be gone **Maeve Binchy** Piers Dudgeon,2014-07-22 Maeve Binchy s novels sold more than 40 million copies worldwide and when she died on July 30th 2012 she did so as Ireland s best loved writer With bestselling books such as *Light a Penny Candle* *Circle of Friends* *Tara Road* *Evening Class* and *A Week in Winter* which was published four months after her death no one else told stories like Maeve Binchy Humane down to earth and funny her novels captured imaginations on both sides of the Atlantic in a way that most authors only dream of More than simply a biography this extraordinary book visits Maeve Binchy in the land of her birth which is the environment of her novels and in the company of the author and her fictional characters sets out to discover the emotional contours which define her as a writer and a person **Rula** Rula Lenska,2013-09-26 Rula Lenska s is an extraordinary life Born in Britain to Polish aristocrats refugees from the Nazis and then the Soviets Rula found fame in the 1970s as Q in the TV series *Rock Follies* Shortly afterwards she accidentally conquered America with the infamous VO5 hair advert prompting Johnny Carson to ask Who the hell is Rula Lenska The world soon found out exactly who she was as her career went on a rollercoaster ride through classic British television series such as *Minder* *To the Manor Born* *The Detectives* *Doctor Who* *Casualty* *Space 1999* and of course *Coronation Street* This came alongside a distinguished stage career with stellar performances in *The Vagina Monologues* and *Calendar Girls* But her success has often been tempered with heartache

The fanfare surrounding her celebrity marriage to Dennis Waterman quickly faded amid accusations of alcoholism and spousal abuse And then there was her surreal stint on Celebrity Big Brother which she calls sixteen days of madness Now older and wiser and elevated to the status of national treasure Rula Lenska is ready to share her unbelievable story in full And while we've all watched her life from the outside no one has heard or seen Rula like this unabashed honest and thrilling

Finding My Voice Elkie Brooks, 2012-07-17 Blessed with one of the richest and most distinctive voices in the music business Elkie Brooks has been entertaining people around the world since the age of fifteen and even longer if you count the weddings and bar mitzvahs at which she was asked to perform in her native Manchester as a young girl It was Don Arden father of Sharon Osbourne and the notorious Mr Big of the music world who discovered her making her change her name from Bookbinder and sending her on a tour of Germany It was make or break for the still raw Elkie but as always her voice won through She went on to become part of cult rock groups such as Dada and Vinegar Joe before establishing herself as one of the UK's most successful female vocalists Yet the road to stardom was never an easy one But for the support of Elkie's great friend Humphrey Lyttelton she says she might have been dead from drink She has experienced hardships that would have daunted most and dealt with them with the same spirit grit and humour that make her singing so powerful Along the way she has worked with many of the biggest names in the business and recorded some of the most iconic songs in rock history including Lilac Wine Sunshine After the Rain and her signature tune Pearl's A Singer In Finding My Voice Elkie tells her remarkable story in her own unique voice laying bare the reality of stardom and sharing her commitment to the great passion of her life music Jeff Herman's Guide to Book Publishers, Editors and Literary Agents 2017 Jeff

desperately clung to their ancestral seats and a new class of homeowners bought their way into country life A delicious romp Noble Ambitions pulls us into these crumbling halls of power leading us through the juiciest bits of postwar aristocratic history from Mick Jagger dancing at deb balls to the scandals of Princess Margaret Capturing the spirit of the age historian Adrian Tinniswood proves that the country house is not only an iconic symbol but a lens through which to understand the shifting fortunes of the British elite in an era of monumental social change Vanity Fair ,2013 Statewide Audiovisual Service ...
