100 Things to Do in Atlanta Before You Die, Second Edition Sarah Gleim, 2016-09-01 It's hard to believe how much has changed in Atlanta since we released the first edition of 100 Things to Do in Atlanta Before You Die. Tons of new restaurants and shops have opened, developments that were in progress are finally completed, and there's still so much ongoing progress and redevelopment that it's hard to even keep up. But we have, and it's all here in this second edition of 100 Things to Do in Atlanta Before You Die. Whether you're a native of the ATL looking to mark another local experience off your bucket list or an out-of-towner in search of an only-in-Atlanta adventure, this is the guide you need. The book celebrates the top ways to reconnect with Atlanta and shines a light on lesser-known haunts like the world's largest junkyard of vintage cars and several historic Civil War sites, some supposedly still home to spirits from the grave. And no look at Atlanta would be complete without the who's who of the city's top Southern chefs we're talking who serves up the best fried chicken this side of the Mississippi, y'all. So before you head out on any adventure in the ATL, check out this book to see what makes Atlanta the coolest city in the South.
