Ov Guide Hairy Pussy:

Pussypedia Zoe Mendelson, 2021-08-03 A rigorously fact checked funny accessible gender inclusive and fully illustrated guide to the anatomy history and sociology of the pussy written by the creators of the popular website If the clitoris and penis are the same size on average why is the word small in the definition of clitoris but strangely missing from the definition of penis Sex probably doesn't cause yeast infections But racism probably does cause BV Why is masturbating so awesome How hairy are butt cracks generally Why is labiaplasty on a global astronomical rise Does egg freezing really work Should I stick an egg shaped rock up there or nah There is still a shocking lack of accurate accessible information about pussies and many esteemed medical sources seem to contradict each other Pussypedia solves that with extensive reviews of peer reviewed science that address old myths confusing inconsistencies and the influence of gender narratives on scientific research always in simple joyful language Through over 30 chapters Pussypedia not only gives the reader information but teaches them how to read science how to consider information in its context and how to accept what we don't know rather than search for conclusions It also weaves in personal anecdotes from the authors and their friends sometimes funny sometimes sad often cringe worthy and always extremely personal to do away with shame and encourage curiosity exploration and agency A gift for your shy niece your angsty teenager your confused boyfriend or yourself Our generation's Our Bodies Ourselves with a healthy dose of fun *Hairy Pussy Girls* Daniel Bauer, 2025
