Heart Sutra Yan Lianke, 2023-03-14 From China's foremost literary satirist Financial Times comes a captivating new novel set at a religious training center in Beijing focusing on the unlikely love story of a Buddhist nun and a Daoist priest At the Religious Training Center on the campus of Beijing's National Politics University disciples of China's five main

religions Buddhism Daoism Protestantism Catholicism and Islam gather for a year of intensive study and training In this hallowed yet jovial atmosphere the institute s two youngest disciples Yahui a Buddhist jade nun and Gu Mingzheng a Daoist master fall into a fast friendship that might bloom into something more This year however the worldly Director Gong has an exciting new plan he has organized tug of war competitions between the religions The fervor of competition offers excitement for the disciples as well as a lucrative source of fundraising but Yahui looks on the games with distrust her beloved mentor collapsed after witnessing one of these competitions Gu Mingzheng meanwhile has his own mission at the institute centering on his search for his unknown father Soon it becomes clear that corruption is seeping ever more deeply into the foundation of the institute under Director Gong s watch and Yahui and Gu Mingzheng will be forced to ask themselves whether it is better to stay committed to an increasingly fraught faith or to return to secular life forever and nothing less than the fate of the gods itself is at stake Illustrated throughout with beautiful original papercuts animated by Yan Lianke s characteristically incisive sense of humor *Heart Sutra* is a stunning and timely novel that highlights the best and worst in mankind and interrogates the costs of division

Harvest of the Heart Lena C. Milton,2011-02-07 Seeds produce according to the nature of the seed sown As seedtime and harvest relates to natural farming human life and all its affairs are built into the same principles and both are governed by the law of return Bad food promotes poor health while good food promotes good health Bad words promote hate while good words promote love By this same principle we plant our health we plant our disease and in all these things our circumstances become our destiny to which our faith and actions have brought us life s ripened fruit The crop simply depends on the farmer

When God Came Over Ricky Firman,2025-06-20 What happens if God visits an atheist Not with lightning Not with commandments Just awkward conversation In this irreverent soul poking novel an exhausted writer who stopped believing in anything except maybe coffee and quiet despair gets an unexpected visitor God No robe No glowing beard No booming voice Just unsolicited divine company at inconvenient hours As the visits pile up like cosmic therapy sessions gone rogue they spar over grief morality silence and the absurd idea that the universe has a plan The writer wants closure God wants conversation Neither gets what they came for but neither walks away unchanged Darkly funny and quietly devastating this isn t a story about finding religion It s about what s left when you ve stopped looking and God still shows up anyway

Revolution and the Christian Faith Vernon C. Grounds,1971 In this stirring book Dr Grounds has ably sketched the background against which the theology of revolution has emerged Dr Grounds puts it this way I have sought to let the critics of the Establishment Christian and secular alike present in their own words the case for revolutionary change I have also sought to let the revolutionary theologians set forth their interpretation of Christianity in detail Quite literally I have allowed them to speak for themselves I have sought further to let Christian scholars who dissent from this new theology engage its proponents in debate Very heavily I have drawn upon the work of Jacques Ellul the towering French sociologist who is rapidly gaining in the United States the attention and respect which his rare fusion of professional distinction intellectual power and biblical commitment it deserves I shall feel amply rewarded if through these pages he wins a wider readership among American evangelicals An additional purpose has been to confront my own ecclesiastical tradition that of Protestant orthodoxy with the inexpressibly pressing need of permitting the anguish of our world to drive theological conservatism back to a New Testament discipleship which is nothing less than revolutionary Publisher

The Visual Dominant in Eighteenth-Century Russia Marcus C. Levitt,2011-10-01 The Enlightenment privileged vision as the principle means of understanding the world but the eighteenth century Russian preoccupation with sight was not merely a Western import In his masterful study Levitt shows the visual to have had deep indigenous roots in Russian Orthodox culture and theology arguing that the visual played a crucial role in the formation of early modern Russian culture and identity Levitt traces the early modern Russian quest for visibility from

jubilant self discovery to serious reflexivity to anxiety and crisis The book examines verbal constructs of sight in poetry drama philosophy theology essay memoir that provide evidence for understanding the special character of vision of the epoch Levitt s groundbreaking work represents both a new reading of various central and lesser known texts and a broader revisualization of Russian eighteenth century culture Works that have considered the intersections of Russian literature and the visual in recent years have dealt almost exclusively with the modern period or with icons The Visual Dominant in Eighteenth Century Russia is an important addition to the scholarship and will be of major interest to scholars and students of Russian literature culture and religion and specialists on the Enlightenment Studies in Church Dedications Frances Arnold-Forster,1899 **The Evangelizing Parish** Patrick J.
