Catalogue of Printed Books, 1900 **Catalog of Copyright Entries** Library of Congress. Copyright Office, 1922 The Art of Objects Luca Cottini, 2018-06-12 The Art of Objects is a cultural history of early Italian industrialism set against the political social and intellectual background of post unification Italy and a cutting edge investigation of the formation of Italy's industrial culture at the turn of the twentieth century Providing a close examination of several objects of mass consumption including watches photographs bicycles gramophones cigarettes and toys author Luca Cottini explores the transformation of these objects from commercial items into aesthetic and philosophical icons By focusing on the cultural significance of these objects as they enter the market and appear in contemporary works of art and literature The Art of Objects outlines a comprehensive view of the age between the unification of Italy and Fascism encompassing production and consumption aesthetics and entrepreneurship industry and the humanistic tradition The observation of the slow formation of new languages practices and experiences around these objects also provides valuable insight into the creative laboratory of Italy's early industrial culture By reconstructing the origins of the Italian culture of design the book ultimately investigates Italy's critical reception of industrialism the nation's so called imperfect modernization and its ongoing quest for an original way to modernity *A History of Italian Unity* Bolton King, 1899 **History of Italian Philosophy** Eugenio Garin, 2008-01-01 This book is a treasure house of Italian philosophy Narrating and explaining the history of Italian philosophers from the Middle Ages to the twentieth century the author identifies the specificity peculiarity originality and novelty of Italian philosophical thought in the men and women of the Renaissance The vast intellectual output of the Renaissance can be traced back to a single philosophical stream beginning in Florence and fed by numerous converging human factors This work offers historians and philosophers a vast survey and penetrating analysis of an intellectual tradition which has heretofore remained virtually unknown to the Anglophonic world of scholarship *Women, Antifascism and Mussolini's Italy* Isabelle Richet, 2018-09-30 Marion Cave Rosselli is remembered as the perfect companion of the Italian Antifascist leader Carlo Rosselli assassinated in Paris in June 1937 But little is known about the young English student fired with revolutionary enthusiasm who moved to Florence in 1919 witnessed the violent march of fascism to power and thereafter became a resolute adversary of the Mussolini dictatorship Based on a wealth of little used private and public archives this biography retraces her journey from a modest home on the outskirts of London to the first underground Antifascist opposition in Italy from the prison island of Lipari to exile in Paris and the United States It reveals the social cultural and existential factors which underpinned her unflinching political engagement alongside her husband It also highlights the many challenges faced by Antifascist women within a highly patriarchal movement by bringing to life the figure of a woman who challenged the traditional division of labour within the family and struggled to carve a political role for herself Reconstructing Marion Cave Rosselli's experience in relation to the multiple political social and cultural worlds she moved in this book broadens our understanding of the

Antifascist movement and offers a richly detailed portrait of a time full of hopes anxieties and disappointments **Italy** John Webb Probyn,1884 **Catalog of Copyright Entries, Third Series** ,1963 The record of each copyright registration listed

in the Catalog includes a description of the work copyrighted and data relating to the copyright claim the name of the copyright claimant as given in the application for registration the copyright date the copyright registration number etc
