Rise of the Nephilim N. J. Paige,2015-05-11 Soon they will all be dead And it will be because I have failed them Before she was Nephilim a progeny of the Fallen she was just a girl from Brewster New York A freak of nature The strange The different The other But then she received the calling to find her true home and take her rightful place in the subterranean world of Babylon There she would learn that she was the last hope for the survival of Humanity And she would be forced to choose between the world where she found nothing but pain and rejection and the world where she was accepted and revered Tamar Black - Rise Of The Nephilim Nicola Rhodes,2010-06-24 Tamar and Co the Next Generation Who s that girl Meet Iphigenia Black daughter of Tamar oh and er Denny too Cindy s back and madder than ever and she s brought a little surprise with her Isn t it amazing how fast they grow up Renamed Ashtoreth son of Cindy has become a powerful threat Born of a fallen angel and a mortal woman he is the Nephilim And Cindy intends to throw him full force at Tamar and co revenge is sweet But Tamar and Denny have a little surprise of their own With the power of the Rheingold Cindy herself has become a formidable enemy But what will happen when she meets Denny again and realizes that she has not quite forsaken love after all Nephilim's Rise Joseph Nassise,2021-05-04 From out of the darkness comes a light For five long years the Adversary and his infernal allies have ruled the earth herding mankind into demon controlled enclaves and hunting those that remain near to extinction The Templars a mere shadow of their once powerful organization have continued to fight against overwhelming odds but for many hope and a belief in a human victory are things of the past Then from the depths of the Beyond a pair of legends emerge The return of Cade Williams and his beloved wife Gabrielle a mighty warrior in her own right galvanize the Templars The Heretic s presence lights a fire in their souls and a flame in their hearts Now they prepare for their greatest challenge yet It is time to reclaim what was thought lost It is time at long last to take the battle to the enemy The spellbinding Templar Chronicles urban fantasy series continues **Nephilim's Rise** William Pedersen,2021-12-13 In a world torn apart by the chaos of rebellion and war already magic and essence began to permeate their way through society as a precursor to a series of a single future conflict with hell As the conflicts escalated new methods of travel were discovered to other worlds Leading to new allies and alliances while complicating everything with old enemies **NEPHILIM RISING: ANCIENT PROPHECY AWAKENS ~ BOOK 1 ADULT VERSION** Kristy Bratcher,2025-07-24 Nephilim Rising Ancient Prophecy Awakens Adult Version They thought the flood ended it They were dead wrong What if the myths about giants weren t myths at all and what if the survivors are coming back to finish what they started On March 14th 2025 a 4 726 year old celestial timer hit zero The exact cosmic alignment that unleashed the Watchers on Mount Hermon in 2703 BC has returned and the ancient seals that have held back humanity s most terrifying predators are shattering A team of scholars just made the discovery that will either save humanity or witness its complete annihilation Hidden beneath sacred ground across the globe ancient thrones are awakening The Nephilim beings so

monstrously destructive that God himself drowned the entire world to stop their reign of terror are clawing their way back to finish the slaughter The flood destroyed most of them But not all And now they re back with 4 726 years of rage This isn t coming This is HERE These aren t just giants They re apex predators with the intelligence of angels the strength to tear humans apart like paper dolls and an insatiable hunger for human destruction that drove them to corrupt and devour entire civilizations before The survivors have been waiting planning seething with hatred for the species that witnessed their near extinction The Vatican knows The governments know But when Nephilim killing machines with supernatural powers start ripping through cities like tissue paper your military won t save you Your technology won t save you Your prayers might be your only hope Only the Gatebearers can stop the coming massacre ordinary people suddenly carrying divine seals by God that burn with ancient anointed power they don t understand From Israel s hidden chambers to Egypt s buried secrets to the Vatican s darkest archives they re racing against a countdown that ends with either humanity s salvation or its complete extinction at the hands of beings that view us as nothing more than prey Nephilim Rising Ancient Prophecy Awakens This isn t entertainment This is your survival manual Because when the survivors return to finish their harvest there won t be another flood to save us The portals activated on March 14th 2025 The question is will you be ready when they come for you The Rise and Fall of the Nephilim Scott Roberts,2025-09-12 The ancient books of Genesis and Enoch tell us that spirit beings known as the Watchers descended to the Earth had sex with women and begat a hybrid race of offspring known as the Nephilim Such tales are as old as humanity itself These histories and accounts of visitations and subsequent mixed blood alien human races comprise the bulk of the world s myths legends religions and superstitions The Rise and Fall of the Nephilim examines Elohim and the Bene Ha Elohim God and the Sons of God The Watchers UFOs extraterrestrials angels infiltrators and impregnators Biblical and apocryphal sources from Enoch to Moses The role of the Fae Elves Elementals and ancient gods What if the old spiritualities and religions weren t just legends What if there was something living and breathing beneath the surface a tangible interlinking of religious thought and spirituality science and myth inter dimensionality and cold hard fact The Nephilim walked among us and still do today *The Rise Of The Antichrist* Kamran Faqir,2019-04-02 The Rise of The Antichrist carefully investigates the measurable effects of politics religion science and technology on the human psyche All mainstream religions traditionally share similar perspectives regarding the Antichrist and his developing systems which have been foretold by all prophets or messengers dutifully sent to every nation over time This book carefully explores the much debated topic of the Antichrist regarding his future emergence Will he lead humanity to eternal darkness or enlightenment Although modern science and human history popularly refer to the last 5 000 15 000 years of development in reality there are signs and evidence that human development is considerably older with possibilities of supernatural or otherworldly intervention This book explores stories such as the Nimrod who meticulously researched into longevity and occult magic with a possibility of alien or supernatural influence which was captured on stone glyphs Throughout history

there have been developed mighty empires whose chosen kings proclaimed to be Gods But were they actually inter dimensional beings This book will ideally suit readers with an active interest in religion historical events and those interested in a thought provoking read

**The Watchers and the Nephilim: A Tale of Heaven's Rebellion and Earth's Ruin** DR. PAUL CRAWFORD,2025-08-01 Before the floodwaters surged before Noah ever lifted a hammer before giants stalked the earth there was a secret A rebellion not launched by man but by beings from heaven itself This novel is a retelling of that ancient story A story hinted at in Genesis 6 echoed in the Book of Enoch feared by the prophets and concealed for millennia beneath layers of myth and silence It is the tale of the Watchers angels once loyal to God who dared to cross a boundary no celestial being had crossed before They descended to Earth driven by desire cloaked in light but marked by a darkness that would corrupt the world From their forbidden union with human women came the Nephilim giants of renown destroyers of men abominations that devoured the earth and drenched it in blood This is a story of kingdoms built on human bones of secrets buried beneath sand and sea of a world so wicked that even God Himself wept and then washed it clean But it is also the story of Enoch a righteous man chosen to walk with God and bear witness to the fall of heaven s rebels It is the story of Noah a man chosen to survive when the world perished And it is the story of you and me for the echoes of the Watchers still ring in our world today As you turn these pages prepare to enter a realm where angels fall giants rise and the lines between myth and Scripture blur into something terrifyingly real Every chapter is grounded in the whispers of ancient texts canonical and forbidden alike but told as a vivid journey through imagination mystery and faith This is not just fiction It is a warning For as Jesus said As it was in the days of Noah so it will be at the coming of the Son of Man Welcome to the days of Noah Welcome to The Watchers and the Nephilim Dr Paul Crawford
