Roald Dahl Review:

The Best of Roald Dahl Roald Dahl,1990-07-14 Includes the story The Wonderful Story of Henry Sugar now an ACADEMY AWARD winning short film from Wes Anderson on Netflix A collection of the best short stories from a writer with an ingenious imagination a fascination with odd and ordinary detail and a lust for its thorough exploitation The New York Times Book Review If Stephen King could write with murderous concision he might have come up with The Landlady the story of a boarding house with an oddly talented proprietress and a small but permanent clientele If Clive Barker had a sense of humor he might have written Pig a brutally funny look at cooks and vegetarianism And a more bloodthirsty Jorge Luis Borges might have imagined the fanatical little gambler in Man From the South who does his betting with a hammer nails and a butcher knife But all these stories in this volume were written by Roald Dahl whose genius for the horrific and grotesque is unparalleled and entirely his own

A Critical Review of Some of Roald Dahl's Books for Children, with Particular Reference to a 'subversive' Element in His Writing, Some Responses to His Work and Its Place in the Education of the Child Charles Gerard Van Renen,1985 [Kids Review Kids' Books](#) Scholastic Professional

Books,Scholastic, Inc. Staff,1997-08 This friendly reference allows kids to make informed decisions about which books to read offering more than 375 lively book reviews for kids by kids Children teachers and parents can easily locate books by subject title or author and discover what makes each book a must read *Going Solo* Roald Dahl,2012-02-02 In *Going Solo* the world s favourite storyteller Roald Dahl tells of life as a fighter pilot in Africa They did not think for one moment that they would find anything but a burnt out fuselage and a charred skeleton and they were astounded when they came upon my still breathing body lying in the sand nearby In 1938 Roald Dahl was fresh out of school and bound for his first job in Africa hoping to find adventure far from home However he got far more excitement than he bargained for when the outbreak of the Second World War led him to join the RAF His account of his experiences in Africa crashing a plane in the Western Desert rescue and recovery from his horrific injuries in Alexandria flying a Hurricane as Greece fell to the Germans and many other daring deeds recreates a world as bizarre and unnerving as any he wrote about in his fiction Very nearly as grotesque as his fiction The same compulsive blend of wide eyed innocence and fascination with danger and horror Evening Standard A non stop demonstration of expert raconteurship The New York Times Book Review Roald Dahl the brilliant and worldwide acclaimed author of *Charlie and the Chocolate Factory* *James and the Giant Peach* *Matilda* and many more classics for children also wrote scores of short stories for adults These delightfully disturbing tales have often been filmed and were most recently the inspiration for the West End play Roald Dahl s *Twisted Tales* by Jeremy Dyson Roald Dahl s stories continue to make readers shiver today **The Continuum Encyclopedia of Children's Literature** Bernice E. Cullinan,Diane Goetz Person,2005-01-01 Provides articles covering children s literature from around the world as well as biographical and critical reviews of authors including Avi C S Lewis J K Rowling and Anno Mitsumasa *Roald Dahl* Ann Alston,Catherine

Butler,2012-11-01 Roald Dahl is one of the world's best loved authors. More than twenty years after his death his books are still highly popular with children and have inspired numerous feature films yet he remains a controversial figure. This volume the first collection of academic essays ever to be devoted to Dahl's work brings together a team of well known scholars of children's literature to explore the man his books for children and his complex attitudes towards various key subjects. Including essays on education crime Dahl's humour his long term collaboration with the artist Quentin Blake and film adaptations this fascinating collection offers a unique insight into the writer and his world. **The New York Times Book Review**,1994-04 Presents extended reviews of noteworthy books short reviews essays and articles on topics and trends in publishing literature culture and the arts. Includes lists of best sellers hardcover and paperback. **The Contemporary Review**,1997 **Dennis Kelly** Aloysia Rousseau,2024-08-01 Dennis Kelly explores Kelly's unusual career path and sheds light on his eclectic approach to the arts characterised by a refusal to write texts that people can fit within neat categories. This is the first monograph on Kelly's work for stage and screen and brings to light his essential contribution to contemporary British drama and his huge range of work including his rise to international fame with *Matilda the Musical*. Drawing on Kelly's published and unpublished texts his work in production reviews original interviews with directors actors and with Kelly himself as well as critical theory Dennis Kelly examines and reappraises key motifs in his work such as his preoccupation with violence the complex relationship between the individual and the community or his emphasis on storytelling. It also offers new insights into overlooked aspects of Kelly's work by setting out to explore his traumatic narratives and his post romanticism. In keeping with Kelly's wish never to repeat himself this study offers multiple critical entries into his plays television series and films drawing on moral and political philosophy trauma studies studies in humour feminist theory and film studies. Part of the Routledge Modern and Contemporary Dramatist series Dennis Kelly is addressed to students and scholars in Drama Theatre and Performance as well as theatre practitioners and offers in depth analysis of one of the most unique and challenging voices in contemporary British playwriting and screenwriting. *The Undergraduate's Companion to Children's Writers and Their Web Sites* Jennifer Stevens,2004-11-30 This volume one in the Undergraduate Companion series focuses on American and British writers for children and young adults and is addressed to students in both English and Education classes. It provides both print and free online sources. Most undergraduates do not possess the research skills necessary to evaluate Web sites. This volume will address their needs by providing pathfinders to works by about and related to key writers of children's and young adult fiction. Included are entries for 185 British and American writers and writing teams most from the 20th century. Young adult and adult Grades 9 and up. *The Good Web Guide for Book Lovers* Susan Osborne,2003 The birth of the internet heralded several theories about the demise of the book and of reading in general. Contrary to this books are thriving on the internet and the author recommends the best websites to cut your searching time. This guide includes information on the best internet bookshops both small and large rare and

specialist bookshops book clubs literary magazines reading group resources author and fan websites and publisher s own websites websites for budding writers to develop their own talents **De-constructing Dahl** Laura Viñas Valle,2016-01-14 This is the first single authored monograph on Roald Dahl since 1994 Remarkably in spite of Dahl s commercial success and the divided opinions he generates very little scholarly work on the author has been produced In the light of sociocultural constructivist theory De constructing Dahl focuses on the critical context texts and paratexts that make up the packaging of Dahl It offers the first thorough overview of the criticism and the language employed to discuss Dahl since the 1970s the difficulties that using such language entails and how it still permeates current criticism It delves into the relationship between Dahl s children s and adult fiction by drawing comparisons and contrasts and exploring the common traits and patterns that bring his whole work together It also examines how Dahl constructed himself as a children s writer how his publishing house and allies contribute to mediating and sustaining the Dahl public persona the ways that marketing strategies are responsible for the identity of his books and how editorial decisions about the age range and therefore how the classification of a manuscript as a book for children or for adults constructs particular ideas of what children s literature is and what is considered appropriate or unsuitable for children to read Writing, Retelling, and Critically Reading Children's and Young Adult Tales Bernard Montoneri,2025-06-24 This edited collection traces the evolution of writing retelling and critically reading children s and young adult tales over decades of cultural social and technological changes Global contributions cover the increasingly diverse narratives found in children s literature including how contemporary authors challenge traditional gender roles found in fairy tales through modern increasingly prevalent retellings Chapters also consider the psychological impact of storytelling on children and how narratives can provide children with frameworks for understanding their emotions and experiences Choosing and Using Fiction and Non-Fiction 3-11 Margaret Mallett,2019-10-30 Choosing and Using Fiction and Non Fiction 3 11 is a guide for primary teachers to the many kinds of texts children encounter use and enjoy in their nursery and primary school years providing an invaluable insight into the literature available Addressing important issues and allowing for the voices of teachers reviewers and children to be heard it contains suggestions of best practice which offer a more creative approach to learning Including both fiction and non fiction with genres ranging from picturebooks to biographies this fully updated second edition features New coverage on recent books Discussion of new changes in concepts of literacy particularly focused on technological advances in moving image media and virtual worlds The balance between print and screen based texts on developing children s visual and multimodal literacy Annotated booklists for each genre for different age groups New sections on equality diversity and translation Exploring fiction non fiction and poetry Choosing and Using Fiction and Non Fiction 3 11 is an invaluable resource supporting teachers as they help children on their journey to becoming insightful and critical readers of non fiction and sensitive and reflective readers of fiction To See the Wizard Laurie Ousley,2021-02-19 To See the Wizard Politics and the

Literature of Childhood takes its central premise as the title indicates from L Frank Baum's *The Wonderful Wizard of Oz*. Upon their return to The Emerald City after killing the Wicked Witch of the West, the task the Wizard assigned them, Dorothy, the Tin Woodman, Scarecrow, and Lion learn that the wizard is a humbug, merely a man from Nebraska manipulating them and the citizens of both the Emerald City and of Oz from behind a screen. Yet they all continue to believe in the powers they know he does not have, still insisting he grant their wishes. The image of the man behind the screen and the reader's continued pursuit of the Wizard is a powerful one that has at its core an issue central to the study of children's literature: the relationship between the adult writer and the child reader. As Jack Zipes, Perry Nodelman, Daniel Hahn, Jacqueline Rose, and many others point out, before the literature for children and young adults actually reaches these intended readers, it has been mediated by many and diverse cultural, social, political, psychological, and economic forces. These forces occasionally work purposefully in an attempt to consciously socialize or empower, training the reader into a particular identity or way of viewing the world by one who considers him or herself an advocate for children. Obviously, these wizards acting in literature can be the writers themselves, but they can also be the publishers, corporations, school boards, teachers, librarians, literary critics, and parents, and these advocates can be conservative, progressive, or any gradation in between. It is the purpose of this volume to interrogate the politics and the political powers at work in literature for children and young adults. Childhood is an important site of political debate, and children often the victims or beneficiaries of adult uses of power; one would be hard pressed to find a category of literature more contested than that written for children and adolescents. Peter Hunt writes in his introduction to *Understanding Children's Literature* that children's books are overtly important educationally and commercially, with consequences across the culture, from language to politics; most adults, and almost certainly the vast majority in positions of power and influence, read children's books as children, and it is inconceivable that the ideologies permeating those books had no influence on their development. If there were a question about the central position literature for children and young adults has in political contests, one needs to look no further than the myriad struggles surrounding censorship. Mark I. West observes, for instance, "Throughout the history of children's literature, the people who have tried to censor children's books for all their ideological differences share a rather romantic view about the power of books. They believe, or at least they profess to believe, that books are such a major influence in the formation of children's values and attitudes that adults need to monitor every word that children read. Because childhood and young adulthood are the sites of political debate for issues ranging from civil rights and racism to the construction and definition of the family, indoctrinating children into or subverting national and religious ideologies, the literature of childhood bears consciously political analysis, asking how socialization works, how children and young adults learn of social, cultural, and political expectations, as well as how literature can propose means of fighting those structures." To See the Wizard: Politics and the Literature of Childhood intends to offer analysis of the political content and context of literature written for and about children and young adults. The

essays included in *To See the Wizard* analyze nineteenth and twentieth century literature from America Britain Australia the Caribbean and Sri Lanka that is for and about children and adolescents The essays address issues of racial and national identity and representation poverty and class mobility gender sexuality and power and the uses of literature in the healing of trauma and the construction of an authentic self

The Good Writing Guide for Education Students Dominic Wyse, Kate Cowan, 2017-04-24 Grappling with grammar Worrying about referencing This handy guide is packed with practical advice on how to search for reading materials structure your academic writing think critically reference appropriately and use language effectively Top Tips throughout the book help eradicate all the common mistakes that bring your marks down What's new to the fourth edition two brand new chapters on reading and writing critically activities at the end of each chapter to let you check and assess your own writing With real life examples of academic work and plenty of dos and don'ts this is the perfect writing manual for students studying at all levels and the ideal book to help you get top marks for all your education course assignments The Student Success series are essential guides for students of all levels From how to think critically and write great essays to planning your dream career the Student Success series helps you study smarter and get the best from your time at university Visit the SAGE Study Skills hub for tips and resources for study success

Forgotten Disney Kathy Merlock Jackson, Carl H. Sederholm, Mark I. West, 2023-06-28 This work demonstrates that not everything that Disney touched turned to gold In its first 100 years the company had major successes that transformed filmmaking and culture but it also had its share of unfinished projects unmet expectations and box office misses Some works failed but nevertheless led to other more stunning and lucrative ones others shed light on periods when the Disney Company was struggling to establish or re-establish its brand In addition many Disney properties popular in their time but lost to modern audiences emerge as forgotten gems By exploring the studio's missteps this book provides a more complex portrayal of the history of the company than one would gain from a simple recounting of its many hits With essays by writers from across the globe it also asserts that what endures or is forgotten varies from person to person place to place or generation to generation What one dismisses someone else recalls with deep fondness as a magical Disney memory

The Primary English Encyclopedia Margaret Mallett, 2017-02-24 This newly updated user friendly Primary English Encyclopedia addresses all aspects of the primary English curriculum and is an invaluable reference for all training and practising teachers Now in its fifth edition entries have been revised to take account of new research and thinking The approach is supportive of the reflective practitioner in meeting National Curriculum requirements in England and developing sound subject knowledge and good classroom practice While the book is scholarly the author writes in a conversational style and includes reproductions of covers of recommended children's books and examples of children's writing and drawing to add interest The encyclopedia includes over 600 entries many expanded and entirely new for this edition including entries on apps blogging and computing short definitions of key concepts input on the initial teaching of reading including the teaching of phonics and the other cue systems extended

entries on major topics such as speaking and listening reading writing drama poetry non fiction bilingualism and children s literature information on new literacies and new kinds of texts for children discussion of current issues and input on the history of English teaching in the primary years extended entries on gender and literacy important references for each topic advice on further reading and accounts of recent research findings and a Who s Who of Primary English and lists of essential texts updated for this new edition This encyclopedia will be ideal for student teachers on BA and PGCE courses preparing for work in primary schools and primary school teachers Anyone concerned with bringing about the informed and imaginative teaching of primary school English will find this book helpful and interesting **The Films of Wes Anderson P.**

Kunze,2014-05-01 Wes Anderson s films can be divisive but he is widely recognized as the inspiration for several recent trends in indie films Using both practical and theoretical lenses the contributors address and explain the recurring stylistic techniques motifs and themes that dominate Anderson s films and have had such an impact on current filmmaking Why Didn't You Just Do What You Were Told? Jenny Diski,2020-07-23 Finalist for the NBCC Award for Criticism Nothing about Jenny Diski is conventional Diski does not do linear or normal or boring highly intelligent furiously funny Sunday Times Funny heartbreaking insightful and wise Emilia Clarke She expanded notions about what nonfiction as an art form could do and could be New Yorker Jenny Diski was a fearless writer for whom no subject was too difficult even her own cancer diagnosis Her columns in the London Review of Books selected here by her editor and friend Mary Kay Wilmers on subjects as various as death motherhood sexual politics and the joys of solitude have been described as virtuoso performances and small masterpieces From Highgate Cemetery to the interior of a psychiatric hospital from Tottenham Court Road to the icebergs of Antarctica Why Didn t You Just Do What You Were Told is a collective interrogation of the universal experience from a very particular psyche original opinionated and mordantly funny
