Registration: This form is optional. You can choose to submit your work here.

At the beginning of each school year, teachers review the NYS Teaching Standards and the Teacher Practice Rubric (click [here](#)) in consideration of the needs of their incoming student population, changes in curriculum, developments in content area, assessments, and student and community contexts.

Instructions:

Please complete each of the questions below.

1. Using available data, how do my plans for this year reflect the specific needs of my incoming students? (e.g., Does my class include English language learners and / or students with disabilities? Does any student need special support?)

2. What changes in curriculum or developments in my content area affect my planning, teaching or assessment?

3. What professional learning opportunities have informed my understanding of teaching and learning for this year? Are there any professional development strategies or opportunities that might be especially appropriate for my professional growth needs in this academic year?
