

SOME POSSIBLE ESSAY QUESTIONS

OTHELLO

The word *honest* is used, in some form, fifty two times throughout the play – frequently about Iago.

What Shakespeare hated in the word, I believe, was a peculiar use, at once hearty and individualist, which was then common among raffish low people...

William Empson

Discuss this view and your own ideas about the uses of the word and its effect on the audience at different times.

In *Othello*, women seem to play a submissive role to their husbands.

In general...we lose sight of [Desdemona's] charms in her attachment and devotedness to her husband.

William Hazlitt 1817

Society's covert condemnation of Desdemona for choosing to marry a black man reinforces the prejudice that what happens between husband and wife is a private and domestic affair in which no one should interfere.

Ruth Vanita 1994

Explore these two different historical views of Desdemona's position, including your own ideas about the role of women in the play.

Iago is able to manipulate his victims so skilfully because he thinks in the same terms they do.

Camille Wells Slight 1997

Iago...is fooled by the way his plans run away with him; he fails in knowledge of others and perhaps even of his own desires.

William Empson 1951

Do you agree with one, both or neither of these viewpoints? Give your own ideas about Iago's character and role within the play as part of your answer.

It has been said that *Othello* is 'a play about a handkerchief'. How far do you agree or disagree with this viewpoint? What ideas of your own do you have about this?

'Othello radiates a world of romantic, heroic and picturesque adventure. All about him is highly coloured.'

How far would you agree with this statement? In your answer you should give your own ideas and any others you feel are relevant.

I have always felt that I have never read a more terrible exposure of human weakness – of universal human weakness – than the last great speech of Othello...What Othello seems to me to be doing in making this speech is *cheering himself up*. He is endeavouring to escape reality, he has ceased to think about Desdemona, and is thinking about himself.

T.S. Eliot 1932

Give your detailed reactions to this comment, including an evaluation of the character of Othello in the play as a whole.

The play's construction, unique in Shakespeare, keeps sex and love, like tragedy and comedy, together yet apart, sensationally revealing each others' natures and characteristics.

John Bayley 1981

How far do you agree or disagree with the above assessment? Are there other views that should be taken into account?
