Ridiculous Customer Complaints And Other Statements:

Ridiculous Customer Complaints (and Other Statements) David Loman, 2014-09-20 The customer is always right or so anyone who has ever worked in any service industry is repeatedly told In this book I have set out prove that statement is completely untrue and in fact with customers like these then maybe the opposite could be said So sit back grab your self a drink perhaps an alcoholic one if you feel that way inclined and enjoy some of the strangest ridiculous and most outrageous complaints and statements from all walks of life

Ridiculous Customer Complaints (and Other Statements) David Loman, 2014-11-14 The sequel to the Amazon No1 bestseller Ridiculous Customer Complaints And Other Statements Volume 1 The customer is always right or so anyone or has ever worked in any service industry is repeatedly told In this series of books I have set out prove that statement is completely untrue and in fact with customers like these then maybe the opposite could be said As with the first book these excerpts and comments are all true as far as I am aware and though some you may have heard before I hope there are plenty that you haven't You made find some spelling mistakes and grammatical errors within these pages but please be aware these are left that way on purpose as in all cases this is the way they were originally written and that is what makes them funny So sit back grab your self a drink maybe a fruit cocktail this time and enjoy some of the strangest ridiculous and most outrageous complaints and quotations from all walks of life

Positively Outrageous Service T. Scott Gross, Andrew Szabo, Michael Hoffman, 2016-08-02 In today's tough economy cutting prices and providing good service aren't enough To be truly successful innovative businesspeople must learn the art of Positively Outrageous Service POS doing the unexpected unexpectedly and giving the customer more than he or she could hope for POS put customer service guru T Scott Gross on the map in the early 1990s In this revised third edition he contemporizes his work by examining what's wrong in the service industry today and how to turn those negatives into POS In his signature slightly irreverent but always insightful style he shows managers at every level of the service industry how to Build a customer base by following the four key principles of promotions have fun get people to your store get people involved with your product and do something good for others Hire the right people and show them the fundamentals of POS Energize and obtain the most creativity out of employees Win over customers when mistakes happen no matter who is at fault POS is not just a way of doing business according to Gross it's also a state of mind and the key to success in the twenty first century T Scott Gross is a consumer advocate whose client roster for consulting training and speaking reads like a who's who of the Fortune 500 Countless businesses including Southwest Airlines FedEx McDonald's Sears and Wal Mart have asked him to motivate the troops at sales meetings and conferences worldwide Allworth Press an imprint of Skyhorse Publishing publishes a broad range of books on the visual and performing arts with emphasis on the business of art Our titles cover subjects such as graphic design theater branding fine art photography interior design writing acting film how to start careers business and legal forms business practices and more While we don't aspire to publish a New York Times bestseller or a national bestseller

Crazy for You Michael Fleeman,2015-02-03 A LOVING FATHER A typical morning in the Atlanta suburbs Businessman Rusty Sneiderman drops his beloved son off at the Dunwoody Prep nursery In the parking lot a minivan pulls up next to his car The driver pulls out a gun and shoots Rusty four times in the chest A HEARTBROKEN WIFE Sneiderman s devoted wife Andrea is devastated by the crime Who could have done this She is shocked when police trace the shooting to a man named Hemy Neuman who happens to be Andrea s adoring boss A DEADLY OBSESSION The prosecution accuses Andrea and Hemy of having a forbidden relationship and of conspiring to collect 2 million in her husband s life insurance But Andrea swears she never intended to kill Rusty and that it is Hemy who s delusional and obsessed With the charges against her dropped and the insurance money frozen Andrea remains a mysterious character Only one other person the man who pulled the trigger knows the truth about what really happened With 8 pages of dramatic photos

Crazy Horse Kingsley M. Bray,2011-11-19 Crazy Horse was as much feared by tribal foes as he was honored by allies His war record was unmatched by any of his peers and his rout of Custer at the Little Bighorn reverberates through history Yet so much about him is unknown or steeped in legend Crazy Horse A Lakota Life corrects older idealized accounts and draws on a greater variety of sources than other recent biographies to expose the real Crazy Horse not the brash Sioux warrior we have come to expect but a modest reflective man whose courage was anchored in Lakota piety Kingsley M Bray has plumbed interviews of Crazy Horse s contemporaries and consulted modern Lakotas to fill in vital details of Crazy Horse s inner and public life Bray places Crazy Horse within the rich context of the nineteenth century

Lakota world He reassesses the war chief's achievements in numerous battles and retraces the tragic sequence of misunderstandings betrayals and misjudgments that led to his death Bray also explores the private tragedies that marred Crazy Horse's childhood and the network of relationships that shaped his adult life To this day Crazy Horse remains a compelling symbol of resistance for modern Lakotas Crazy Horse A Lakota Life is a singular achievement scholarly and authoritative offering a complete portrait of the man and a fuller understanding of his place in American Indian and United States history

ReCreating Strategy Stephen Cummings, 2002-09-12 Cummings book is very interesting refreshing and intellectually stimulating It should be a mandatory textbook for all serious students of management Management Learning Stephen Cummings ReCreating Strategy is currently the best book on strategy combining a holistic and critical understanding of the issue Stewart Clegg University of Technology Sydney An imaginative attempt to bring together and apply the many analytical frameworks relating to the organization as a whole into strategy theory and practice Written for students on strategy change management and more general management and organization theory courses Encourages students to question assumptions and think creatively about strategy and management Stimulating and original Long Range Planning In this intriguing book Cummings claims to be surprised that academics critical of management theory don't critique its history and proposes a kind of liberation theology in response but this is not as doctrinaire It's more like replacing some well justified habits with a refreshing originality of approach The outcome is stimulating The author offers a cogently argued deconstruction of some well known frameworks in strategy and delivers his own reinterpretation of strategic discourse There are five longer case studies in the book and several shorter vignettes scattered throughout early chapters as well as pedagogical aids at the end of each chapter Best of Biz The Business Information Site Do you worry about organizations becoming slaves to markets Do you wish that organizations had the nerve to build their own ethos rather than just grubbing for profit Do you aspire to inspiration rather than perspiration Why does management practice get in the way of thinking and creativity Stephen Cummings provides insight and guidance in a book of genuine scholarship and creativity John McGee President of the Strategic Management Society USA Management courses

need more of what Stephen is offering He wants us to go on an unlearning curve one which leads to fresh thinking about strategy and the emerging roles and responsibilities of business and companies This book not only tells us where we are coming from but more importantly it inspires us to think profoundly about where we could go It s also a very good read Josephine Green Director of Trends and Strategy Philips ReCreating Strategy provides a challenging examination of the emergence of management which combines postmodern and orthodox perspectives Stephen Cummings is able to provide not only a fresh treatment of strategy and ethics but also to engage with a variety of potential audiences He provokes and informs in equal measure Richard Whipp Cardiff University A truly eclectic approach to strategy Intellectually capturing the book is great fun to read at the same time A must for those who want to discuss management beyond styles fads and fashions Hubert Wagner Qonsult ReCreating Strategy is written for students of strategy change management and more general management and organization theory courses It will provide a better understanding of how to bring together and apply the many analytical frameworks relating to the organization as a whole Stephen Cummings challenges the view that there is never one best framework and shows why the latest theory is not necessarily better than earlier ones The textbook includes short and long case studies interesting pictorial aids and examples and a generally more participative and rewarding approach than that offered by more mainstream texts PowerPoint slides to accompany the book are now also available by clicking on the link to Sample Chapters and Resources in the left hand margin The book also offers more scope for individual lecturers who wish to encourage students to question assumptions and think creatively about strategy and management
