Hoodwin,2013-04-23 A fascinating discussion of the Michael teachings an extraordinary body of channeled work that addresses the fundamental questions of what it means to be human from an expert Michael channel Michael is a group of souls who teach that we are eternal beings journeying from the Tao and back again in an adventure of exploration and creativity Each step along the way we make choices that shape our experience For example after committing to a series of lifetimes we choose one of seven roles or soul types server priest artisan sage warrior king or scholar These teachings address many age old questions such as How did we become who we are Why are we here Where are we going and How does the universe work In addition *Journey of Your Soul* sheds light on the channeling process itself answering questions such as How does channeling work Why do different channels receive conflicting information and What does it take to become a channel Hoodwin shows us that it is possible and indeed beneficial to engage all parts of the human consciousness His

unique analytical approach to channeling will help readers gain a firm intellectual understanding of what is involved In his foreword Jon Klimo PhD author of *Channeling Investigations on Receiving Information from Paranormal Sources* says Shepherd Hoodwin has given us one of the best books to date about the phenomenon of channeling *Journey of Your Soul* may well also be the best of the Michael books due to its clarity thoroughness and detail and thanks to the fact that the author an exceptionally clearheaded Michael channel himself brings real integrity and authenticity to our understanding of Michael in particular and to the channeling process in general *The Afterlife Healing Circle* Candace Talmadge, Jana

Simons, 2015-06-22 The science is probably the most misunderstood and abused of all spiritual practices and carries with it some very real dangers The good news is that the authors of *The Afterlife Healing Circle* have corrected the disinformation while showing us how to avoid the dangers The afterlife healing circle is a way we can safely communicate with those on the other side whether they are loved ones who have passed or future offspring who have not yet been born This unique book will bring hope to the anxious and the inconsolable by showing readers How to recognize when they or others need the afterlife healing circle How to develop the intuitive senses that will enable them to connect with the other side How where and when to conduct the afterlife healing circle safely How the rules of physics prove that consciousness both survives and precedes the physical body It's never too late to say goodbye or too soon to say hello **Angel Blessings** Kimberly Marooney,

Tilleraas, 2011-01-25 These 366 daily meditations were written for those of us who are living with our own or a loved one's HIV or AIDS diagnosis and offer acceptance and understanding These 366 daily meditations were written for those of us who

are living with our own or a loved one's HIV or AIDS diagnosis. The readings can enhance the healing process by helping us to accept, understand, and integrate our values with those offered through Twelve Step recovery and provide positive thoughts to encourage us to focus on our priorities.

Putting on the Mind of Christ Jim Marion, 2011-11-01 Jim Marion's book returns us to the central challenge Christianity ought to be handing us. Indeed, how do we put on the mind of Christ? How do we see through his eyes? How do we feel through his heart? How do we learn to respond to the world with that same wholeness and healing love? That's what Christian orthodoxy really is all about. It's not about right belief; it's about right practice. Cynthia Bourgeault, author of *The Wisdom of Jesus*, asks: What does it mean to follow the path of Christ today? *Putting on the Mind of Christ* is the first book to offer an integral understanding of the Christian spiritual path, one that examines the basic stages of spiritual development described by the great saints and sages along with the psychological stages of development used by modern psychology. American mystic Jim Marion draws upon his own rich spiritual experience and deep understanding of scriptural models to show readers how to emulate the developmental stages of the Christ, how to put on the mind of Christ to achieve spiritual illumination and communion with the Christ. He examines the seven levels of consciousness of the human personality mapped by the work of Jean Piaget, Carol Milligan, and Lawrence Kohlberg and leads readers to the consciousness that Jesus called the Kingdom of Heaven, the highest level of spiritual development. Marion shows how inner spiritual growth has always been the true essence of Christian practice and shares his own spiritual experiences within a Christ-focused framework. Pioneering, transcendent, and grounded, *Putting on the Mind of Christ* will permanently alter the landscape of 21st-century Christianity.

Co-Dependence: Healing the Human Condition Charles Whitfield, 2010-01-01 Of all the books on the often misunderstood concept of co-dependence, this is probably the clearest, most complete, and informative. Charles Whitfield is a frontline clinician who has been assisting co-dependents in their healing for over twenty years. He has researched the literature on co-dependence, which he summarizes in this widely read book. He sees co-dependence as a way to more accurately describe the painful and confusing part of the human condition. In careful detail, he describes just what co-dependence is and what it is not, how it comes about, and how to heal its painful aftereffects.

HEALING ACROSS TIME I Lorrie Leigh, 2023-11-09 What are you thinking, Lorrie? Why would you tell on yourself to the whole world? Answer: Because the Holy Spirit asked me to tell my story to help others. A central theme of this book is: What is wrong with me? I learned that what was wrong was that I had many partially split personalities that had not been evident to me or others, and that repressed painful and guilty memories from my childhood and adulthood were surfacing. The teachings in *A Course in Miracles* enabled me to face those memories. My journey has been painful and a little weird, but I am glad I chose to walk into the darkness rather than deny it, because that choice led to healing and peace for me. I pray that my story will help many others come to a place of healing and peace.

Channeling Jon Klimo, 1998-04-17 In this study of channeling, earlier called spirit communication or mediumship, Klimo, who teaches at Rosebridge Graduate School in the San Francisco

Bay Area writes with clarity about the communication of information to or through a physically embodied human being from a source on some other level or dimension of reality other than the physical as we know it He profiles recent channels and their sources goes back to preliterate societies and the advent of monotheism and identifies as channels such figures as Moses Solomon Muhammad Merlin Nostradamus Swedenborg and Edgar Cayce He discusses the sorts of people who are channels kinds of information channeled sources of information channeled and varieties of channeling like clairvoyance and automatic writing According to Klimo few people tap into their abilities to perform channeling and for those who think they can he serves as guide Dreaming of Fish & Other Apocalyptic Stories Of Foreboding and Grace Charles Frode, 2018-11-20 Charles Frode's 3rd short story collection concentrated bitter and benignly pessimistic squeezings from the season's harvest the ripest leftover fruit gleaned after the sweetest fruit has been picked mystical gumbos of differently stirred dimensions of experience Several stories written by the You narrator could be you the reader or Frode the author Three apocalyptic stories of how the earth could end by the distortions of ancient trees by the accumulations of cultures and by the aberration of algorithms A handful of stories about an invasion of sanctified cockroaches an uncannily skilled boy a mystical story of ALS a stereotypical young mass murderer a hunchback a hermaphrodite and a mysterious Greek monastery a walleyed degenerate and his omnivorous goats and the transmigration of a matriarchal boar's spirit **HEALING ACROSS TIME II** Lorrie Leigh, 2023-11-09 I have to ask again Lorrie What are you thinking Why would you tell on yourself and members of your family and family lines to the whole world Answer Because the Holy Spirit asked me to so others can learn that healing for oneself members of one's family and one's family lines is possible The Holy Spirit prompted questions for me to ask that gradually uncovered issues needing forgiveness clearing and healing in myself and my Soul line and in our family and family lines along with the roots of those issues and how to deal with them They included centuries old curses hypnotic implants and infestation by negative dark energies I pray that my story will help many other people families and family lines be cleared and healed *Breaking Out of Environmental Illness* Robert Sampson, Patricia Hughes, 1997 The authors up close and personal account of their process of recovering from environmental illness
