The Right to Silence in Transnational Criminal Proceedings Fenella M. W. Billing, 2016-09-01 This book considers the effectiveness and fairness of using international cooperation to obtain confession evidence or evidence of a suspect or accused person's silence across borders This is a question of balance in limiting and protecting the right to silence The functioning of the applicable law in Denmark England and Wales and Australia is analysed in relation to investigative and trial measures such as police questioning administrative questioning powers covert surveillance and the use of silence as evidence of guilt On the national level this work examines the way in which domestic rules balance the right to silence in national criminal proceedings and whether investigative and trial rules produce continuity throughout the criminal proceedings as a whole From the transnational perspective comparative legal analysis is used to determine whether the national continuity may be disrupted to such an extent that cooperation in the gathering of confession evidence causes unfairness From the international perspective this research compares the right to silence under the ICCPR and the ECHR to identify the overall effect of cooperating under particular human rights frameworks on the question of balance

Crime and Punishment in Indonesia Tim Lindsey, Helen Pausacker, 2020-12-14 Indonesia's criminal law system faces major challenges Despite the country's transition to democracy both the Criminal Code and the Criminal Procedure Code are badly out of date the former only superficially changed since colonial times and the latter remaining as it was under Soeharto's authoritarian New Order regime Law enforcement officers and judges are widely seen as corrupt or incompetent and new laws including new Islamic laws passed at the regional level often contradict the Criminal Code and national statutes including human rights laws This book based on extensive original research by leading scholars in the field provides an overall assessment of the state of criminal law law enforcement and penal policy in Indonesia considers in depth a wide range of specific areas of criminal law and discusses recent efforts at reform and their prospects for success
