Welcome to **Rightly Divided Ministries** and the teaching outreach ministry of West Lenoir Baptist Church, Lenoir, North Carolina. This website is dedicated to the weekly expositional teaching of the International Sunday School Lesson.

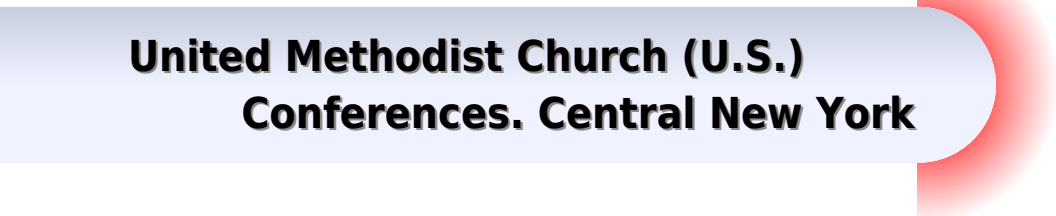

This ministry is not designed to replace your personal lesson preparation or attendance of Sunday School. It is our desire to help Sunday School teachers in lesson preparation, students in hungering to hear God's Word, and point sinners to Jesus Christ. Please pray that this ministry will accomplish these goals and magnify the Lord.

Deuteronomy 31:12, "Gather the people together, men, and women, and children, and thy stranger that is within thy gates, that they may hear and that they may learn, and fear the LORD your God, and observe to do all the words of this law..."

Certainly, Sunday School as we know it today, was not what Moses had in mind when he wrote these words. However, the principles of hearing, learning, fearing, and observing found in this Old Testament text should be the goal of every Sunday School. Teaching the Word of God in a manner honoring our Lord and Savior

Rightly Divided Sunday School:

The CATALYST, David, Kathleen Belcher, 2025-02-21 In these last days as the return of Christ draws near it is imperative that we as the church be prepared to endure faithfully and to be overcomers through whatever lies ahead What can we do to become mature in our faith and to know the truth so that we will not be deceived during the perilous times about which the Bible warns us The Catalyst addresses a variety of pertinent topics from thanksgiving and worship to fear and suffering from internal warfare between the mind and the flesh to external spiritual warfare against the devils The book also highlights some common errors that may be found in books or heard from the pulpit as well as addressing some long held doctrines that are not supported by Scripture The authors bring out pitfalls to avoid and godly attributes to develop with the Holy Spirit s help Kathleen presents the way of salvation David hopes to spur the reader out of complacency into discovering and walking in his or her divine purpose and spiritual gifts To help believers learn to hear God s voice the author shares some of his own conversations with the Lord Discover what the Bible says about the power of the tongue and the authority that we as believers have been given through Christ Learn what the Scripture says about how believers can make a positive difference in our troubled world right now What will ministers be like in the seventh millennium The book presents a glimpse of what power and purity the Lord s servants may walk in and other aspects of the last days Much scripture is used to back up the topics presented in The Catalyst so the reader can be encouraged by additional study *Davidic Millennialism* Jeffrey J.

Richards, 2025-08-26 This book presents a new understanding of the biblical concept of the kingdom of God In particular it gives an alternative to the two contrasting views of the Reformed and Progressive Dispensational understanding of how to interpret the kingdom These two interpretations have been long contested and dispensationalism has undergone dramatic changes concerning the interpretation of key biblical passages especially those pertaining to the covenants in the Old Testament Progressive Dispensationalism is a recent reinterpretation of the classical views of both Scofield and Chafer There is thus a great variance of opinions among three major positions the Reformed the classical and the Progressive Dispensational This book s proposed new position is termed Davidic Millennialism with an interpretation centering on the understanding of the Davidic covenant This book is written for both academics and those who are interested in a more comprehensive understanding of how to interpret current and future events in light of God s activity in the world **The**

Teacher's assistant and Bible class magazine, 1882 **King James Only Revised Dispensationalism** David E. Walker, 2020-02-18 Most believers raised in churches that contend for the King James Bible as the infallible word of God are familiar with 2 Timothy 2:15 and the idea of dispensationalism In fact most Bible believers are so familiar with their Scofield Reference Bibles they can tell you which side of the page a certain passage is on from memory For many Bible believers dispensationalism as a theological system answers so called problem passages that clearly teach salvation by means other than by grace through faith in the finished work of Jesus Christ At the same time many King James Only believers remain

unsettled or unsure about the differences in salvation under the various dispensations Their pastors may not emphasize or teach these distinctions or they may have fallen prey to King James Only preachers and authors who teach just the opposite Some of these authors have been teaching this faulty dispensational position for years while others have more recently modified this as their position In this booklet we will briefly trace the development of dispensationalism as it relates to salvation under the various dispensations We will show that the dispensationalism being taught by many King James Only preachers and authors is nothing more than a revised dispensational position rooted in Calvinism We will also dismantle the faulty premises of this revised position by addressing the major points and examining their books in light of the Book
