The Great European Rip-off David Craig, Matthew Elliott, 2009-03-05 In this EU referendum year, it's time for people across Europe to look at what really goes on in Brussels in our name. It has been estimated that the EU costs us around 1 000 billion a year, an incredible 2000 for every man, woman, and child in Europe. So what do we get for our money? Politicians and administrators selflessly working to bring us efficient government. Well-targeted regulations that promote economic prosperity. A safe and free society. A well-protected environment. Help for people in poorer countries. Or is our money being squandered by a self-serving euro elite of unaccountable politicians and incompetent bureaucrats, or else devoured in a feeding frenzy of fraud and corruption, where a few lucky insiders become unimaginably rich at our expense? And is the tsunami of regulation pouring out of Brussels in reality strangling industry, destroying jobs, restricting personal freedom, desecrating the environment, and further impoverishing the developing world? Using their extensive network of insider sources, David Craig and Matthew Elliott smash through the secrecy and disinformation that are the Brussels hallmark to reveal what our European rulers are really getting up to. The result is a horrifying story of bureaucracy, hypocrisy, and kleptocracy, and how we are all suffering as a result.
