Rising Star Bates Gill, 2010-10-01 China's diplomatic strategy has changed dramatically since the mid 1990s creating both challenges and opportunities for other world powers Through a combination of pragmatic security policies growing economic clout and increasingly deft diplomacy China has established productive and increasingly solid relationships throughout Asia and around the globe Yet U S policymakers are still trying to comprehend these critical changes *Rising Star* provides a coherent framework for understanding China's new security diplomacy and guiding America's China policy Bates Gill has completely updated his original analysis focusing on Chinese policy in three areas regional security mechanisms nonproliferation and arms control and questions of sovereignty and intervention Looking to the future he offers specific recommendations for a balanced and realistic approach that emphasizes what China and the United States have in common rather than what divides them The main arguments and recommendations of the original book continue to hold true and in many respects are more compelling now than ever before given China's continued ascendancy *Anatomy of a South African Karst Hydrosystem* Philip J. Hobbs, Harrison Pienaar, Eddie van Wyk, Yongxin Xu, 2022-08-05 This book combines the results of the research activities in the assessment of water resources environment and an integrated water resource monitoring program to support preservation efforts of the aquatic environment of the Cradle of Humankind COH World Heritage Sites A poor understanding of the surface and groundwater resources of the COH property has precipitated often alarmist reporting in the media regarding the negative impacts

associated with various sources of poor quality water The most notable of these is the acid mine drainage threat to karst ecosystems and fossil sites across the property These circumstances have generated wide and considerable concern for the preservation of the UNESCO inscribed fossil sites and integrity of the water resources of the property
