Risky Surrender Entangled Indulgence:

Risky Surrender Robin Bielman, 2013-08-26 Lucy Davenport made a promise to her father and husband right before they died and she's vowed to keep it at any cost. But when she draws unwanted attention to her secret plans, she's forced to risk everything she's kept guarded. Because the man standing in her way threatens not only her goal but the walls she's carefully constructed around her heart. Keats McCall is an environmental preservationist navigating the globe on behalf of heritage protection. When he catches Lucy at his latest project, he suspects she's up to no good. She's secretive, sexy as hell, and has trouble written all over her. He devises a plan to keep her close so he can keep an eye on her. But what he isn't prepared for is just how close he wants to get. Each book in the Take a Risk series is a standalone full-length story that can be enjoyed out of order. Series Order: Book 1 Worth the Risk, Book 2 Risky Surrender, Book 3 His Million Dollar Risk. **Keeping Mr. Right Now**

Robin Bielman, 2014-08-18 Surfer Zane Hollander has always been lucky with the ladies. But if he's to land a new sponsor, Zane needs to clean up his act, and fast. He might not have anything in common with brainy event planner Sophie Birch, but she's sweet and respectable, exactly what he needs. Sophie's never set foot on a beach, let alone left her hometown until now. What does a sex on a surfboard celebrity like Zane see in a klutzy bookworm like her? Oh, right. Nothing. Their relationship is purely fictional. And Zane is supposed to be on his best behavior. Sigh. But the more Sophie blossoms under the beachy sun, the more Zane fears he'll just break her heart. And this time, he's found a heart he isn't willing to break. Each book in the Kissed in the Sand series is a standalone full-length story that can be enjoyed out of order. Series Order: Book 1 Keeping Mr. Right Now, Book 2 Blame it on the Kiss, Book 3 The Best Friend Bargain. Previously released on Entangled's Bliss imprint, August 18, 2014. **Hot Knight in Paradise** Sofia Harper, 2013-09-09 Hot Knight in Paradise by Sofia Harper. Stranded in paradise with no way to get home, Leah Smith needs a miracle, and fast. Instead, she gets Marshall Jackson, surely the sexiest man alive. Too bad he's got an emotional wall around himself, and her only hope of getting off the island. Marshall has a strict no damsels in distress policy, but there's something about Leah that makes him want to break his own rules. He agrees to let her work in his bar until she earns enough to get home. But the more time they spend together, the harder it is to deny the scorching attraction between them. Soon, hot island nights provide balm to their wounded souls, but will these two flawed exiles make peace with the past in time to claim the future they deserve together, or will paradise be lost? **Worth the Risk**

It has been the business of my life to teach history and the informal division of labour which comes to pass in a University has led me to pay special attention to the military side of it This aspect of history involves much comparison of statements and weighing of evidence and is therefore calculated to be very useful to those for whom the study of history is not their permanent occupation but the means of completing their mental training Campaigns and battles present in an exceptionally clear shape the stock problems of history what was done why it was done what were the results what ought to have been done what would have been the consequences if this or that important detail had been different It is however not easy to gain from books a clear general idea of a campaign or a battle harder perhaps than to obtain a similar grasp of the work of a legislator or of the drift of a social change To the ordinary historian the military side is only one aspect of his theme and very possibly an aspect which interests him but little He narrates the facts as given him by his authorities but when these are vague as medi val writers mostly are or discrepant as modern writers are who mean to be precise and write from different standpoints he need be something of an expert to make his narrative lifelike On the other hand purely military works are very reasonably technical they are written for experts to whom the technical language is familiar and they often go into considerable detail Ordinary readers are apt consequently to want help in obtaining from them a clear idea of the outline of events Like Pindar s poetic shafts they are Having experienced these difficulties myself both as student and as teacher I have thought that I might render some service by trying to act as interpreter and to describe the chief military events of English history in a way which shall not be technical but yet shall bring out their meaning I do not write for experts though it is they who must judge whether I have described correctly I write for those who do not know much about battles and would like to understand events which are interesting in themselves and are great turning points in history they must judge whether I have described intelligibly If I have met the proverbial fate of those who sit on two stools it is not for want of pains in trying to keep my balance I feel that it is prima facie presumptuous for a civilian to write what is in some sense a military book but after all it is the customer who feels where the shoe pinches Moreover many of the battles of English history occurred in past ages in relation to which the professional training of a modern soldier would teach him little beyond the permanent principles of strategy which every educated man should understand Given also an elementary knowledge of tactics which has spread pretty widely in this country since volunteering began and the war game became popular a civilian ought to be able to deal adequately with Hastings and Crecy with Towton and Marston Moor if not with the campaigns of Marlborough and Wellington If I have failed it is not because the subject is outside the province of a civilian but because the writer has been unequal to his task To be continue in this ebook *The Cosmopolitan* ,1924 *The Anti-Jacobin, Or, Weekly Examiner* ,1968 *The Railway Times* ,1868
