Eterno, 2017-09-20 Studying the flagship New York City Police Department is critical to understanding policing and democratic society An examination of the department by experts who have been studying it for years The New York City Police Department The Impact of Its Policies and Practices provides a frank and open discussion about the NYPD from an elite group of scholars with varying viewpoints and concerns The authors in this book are uniquely qualified to discuss and analyze the intricacies of policies and their impact **The Crime Numbers Game** John A. Eterno, Eli B. Silverman, 2017-07-27 In the mid 1990s the NYPD created a performance management strategy known as Compstat It consisted of computerized data crime analysis and advanced crime mapping coupled with middle management accountability and crime strategy meetings with high ranking decision makers While initially credited with a dramatic reduction in crime questions quic NYPD Patrol Guide Quizzer Cliff Mariani, Looseleaf Law Publications, Incorporated, 2009-01-01 Completely revised and expanded Test your current knowledge of the current NYPD Patrol Guide Gain experience in handling situation based questions Master and sharpen test taking skills Over 1100 questions and answers *Comparing Black Deaths in Custody, Police Brutality, and Social Justice Solutions* Simmons, Janelle Christine, 2023-05-16 In today s modern era it has never been more crucial to ensure the safety of vulnerable populations in particular Black individuals in custody Further study is required to implement best practices and strategies that improve protection Comparing Black Deaths in Custody Police Brutality and Social Justice Solutions describes the actions that lead to the death of Black people while they are in the process of being detained by a law enforcement agent or are already detained This publication focuses on three core countries America Australia and South Africa where Black deaths in custody appear to occur at higher rates Covering key topics such as racism prejudice and slavery this reference work is ideal for industry professionals law enforcement officers government officials policymakers researchers scholars academicians practitioners instructors and students **NYPD Confidential** Leonard Levitt, 2009-07-21 For years the police commissioner and the mayor of New York City have duked it out for publicity credit and power Some have translated their stardom into success after leaving office while others have been hung out to dry In the battle for control of the country s most powerful police force these high status government officials have often chosen political expediency over public honesty The result is a legacy of systemic corruption and cover ups that is nothing less than shocking Respected journalist Leonard Levitt has covered the NYPD for New York Newsday and the New York Post among other papers His columns have made him persona non grata in police headquarters In NYPD Confidential he reveals everything he s discovered throughout his decades long career With amazing details of backroom deals and larger than life powerbrokers Levitt lays bare the backstabbing power grabs and chaotic internal investigations that have run the NYPD s reputation into the ground in the past and the forces conspiring to do so once again The Secret Files: Bill Deblasio, The NYPD, and the Broken Promises of Police Reform Micheal

Hayes,2025-05-13 An unprecedented breakdown of the NYPD's powerful network of police unions pro police lawyers and top brass who work relentlessly to shield police officers from any real accountability For readers of long form hard hitting journalistic exposés like *We Own This City* a compelling look at how we do and don't hold police responsible in America by an award winning progressive reporter covering the NYPD police beat In 2018 reporter Michael Hayes uncovered a major story about how the NYPD was not only turning a blind eye to police misconduct but also allowing hundreds of officers with severe misconduct charges to remain on the force In the aftermath of that story then Mayor Bill de Blasio attempted to reform the department only to abandon his plans While de Blasio may have suffered a political setback it's New Yorkers who are the true victims of this failure to deliver accountability and transparency The state has a law that specifically prevents the public from learning about concealed police records New Yorkers are increasingly distrustful of the police after witnessing their loved ones being targeted brutalized and murdered with near impunity Hayes takes readers inside decades of police corruption and controversial laws chronicling the stories of the families and activists who have had enough He makes a compelling case for the limits of reform in the aftermath of the major Black Lives Matter rallies following the murder of George Floyd and growing calls to defund the police
