**Restless** David J. Gillard,2022-01-06 Why do many popular songs positively reference God if our culture is widely viewed as secular Why is it a challenge to tell the Christian story when many say they are spiritual and believe in God Why do we draw so much meaning from the popular songs we listen to And might a deeper understanding of popular music culture help us to explore the bigger stories we listen to throughout our lives such as the Christian story Primarily using Zygmunt Bauman's understanding of liquid modernity we look at the social forces that shape Western society and consider why while many are looking for authentic ontologically based stories to understand their life experiences historic providers of the big stories that shape our lives such as the church favor a different epistemological way of telling them How do these different approaches to storytelling affect their reception and what insight might we draw from that Whilst this book is written primarily with those in Christian ministry in mind it will be of interest too to those who use music to explore life experiences through their work who are interested in the social forces that shape society or who simply enjoy listening to popular music **On the Far**

**Side of the Sea** Terra Voeks,2013-07-04 On the Far Side of the Sea is not your typical book of poetry This is a devotional book or a journal of poetry written between myself and God I asked God to deliver me from the bondage of my past through writing This book was born one summer when the Holy Spirit guided me to Psalm 139 I felt God urged me to memorize it While doing so I was blessed beyond measure One particular verse touched me deeply Psalm 139 9b 10 NIV If I settle on the far side of the sea even there your hand will guide me your right hand will hold me fast I believe God showed me even on the far side of the sea when we feel lost he is with us His right hand refers to his guidance So even when we are lost he is with us What a wonderful comfort to know the Great Shepherd keeps his eyes upon us no matter how far we feel from him If you are in love with the Psalms from the Old Testament you will enjoy this modern day version of one soul crying out to God in writing **Let There Be Music** Pat Mann,2025-03-17 The lessons and devotionals printed herein are always intended to
