

## OECD Employment Outlook 2014

The 2014 edition of the OECD Employment Outlook reviews recent labour market trends and short-term prospects in OECD and key emerging economies. It zooms in on how the crisis has affected earnings, provides country comparisons of job quality, examines the causes and consequences of non-regular employment, and estimates the impact of qualifications and skills on labour market outcomes.

For further information: [www.oecd.org/employment/outlook](http://www.oecd.org/employment/outlook)

DOI: [10.1787/empl\\_outlook-2014-en](https://doi.org/10.1787/empl_outlook-2014-en)

### Labour market developments in Spain

a) Total compensation of employees divided by total hours worked by employees in real terms (deflating using the consumer price index).

b) OECD is the weighted average of 33 OECD countries excluding Chile.

Source: OECD Short-Term Labour Market Statistics (database), (<http://dx.doi.org/10.1787/data-00046-en>) and OECD calculations based on quarterly national accounts.

### Strong job creation in recent months is welcome but further progress is needed to cut the high levels of unemployment in Spain

The number of jobless people in Spain declined significantly during the course of 2014 as strong job creation led to a significant decrease in the country's high unemployment rate. From its peak in the first quarter of 2013 at 26.3%, it fell to 23.8% in the last quarter of 2014. The unemployment rate is still 15.1 percentage points higher than before the crisis and there are still 3.5 million more unemployed. Youth unemployment is of particular concern; albeit fewer than last year, more than one in two young people in the labour market was unemployed in the fourth quarter of 2014 (52%), from less than one in five before the crisis (19% in Q4 2007). The persistence of such high unemployment among young people risks compromising their long term career prospects.

Long-term unemployment as a share of all unemployment has changed little over the course of 2014 and still stands at 53.0% (Q4 2014) in comparison to 39.1% in Q4 2007. This high rate in Spain is a matter of concern as those individuals risk becoming structurally unemployed, losing part of their human capital and motivation to look actively for jobs.

### Real wages have fallen in Spain helping to boost competitiveness but at the risk of increasing hardship for low-paid workers

In most OECD countries, the crisis has resulted in a substantial slowdown in real wage growth. In Spain, real hourly wages since 2009 fell at the rate of 1.8% per year, much bigger than the one recorded for the euro area as a whole. This large downwards adjustment in wages in Spain has helped to restore the competitiveness of its economy. Prior to the crisis, labour costs had risen faster than productivity in Spain, driving

**OECD Pensions Outlook 2014** OECD,2014-12-08 This book looks at pension reform the role of private pensions and retirement savings Population ageing and longevity risk is examined as are the means of increasing coverage and providing automatic enrolment

*On Unemployment, Volume II* Mark R. Reiff,2015-10-07 With unemployment at historically high rates that show signs of becoming structural there is a pressing need for an in depth exploration of this economic injustice Unemployment is one of the problems most likely to put critical pressure on our political institutions disrupt the social fabric of our way of life and even threaten the continuation of liberalism itself Despite the obvious importance of the problem of unemployment however there has been a curious lack of attention paid to this issue by contemporary non Marxist political philosophers On Unemployment explores the moral implications of the problem of unemployment despite the continuing uncertainty involving both its causes and its cures Reiff takes up a series of questions about the nature of unemployment and what justice has to tell us about what we should do if anything to alleviate it The book comprehensively discusses the related theory and suggests how we might implement these more general observations in the real world It addresses the politics of unemployment and the extent to which opposition to some or all of the book s various proposals stem not from empirical disagreements about the best solutions but from more basic moral disagreements about whether the reduction of unemployment is indeed an appropriate moral goal This exciting new text will be essential for scholars and readers across business economics and finance as well as politics philosophy and sociology

OECD Economic Outlook, Volume 2015 Issue 1 OECD,2015-06-19 The OECD Economic Outlook is the OECD s twice yearly analysis of the major economic trends and prospects for the next two years

OECD Development Pathways Multi-Dimensional Review of Panama Volume 1: Initial Assessment OECD,2017-10-11 Since the beginning of the 21st century Panama has exhibited remarkable economic growth and has reduced the gap in terms of income per capita with high income countries Social progress has also been achieved mainly through the reduction of poverty and advances in some well being dimensions

*Economic Policy Reforms 2017 Going for Growth* OECD,2017-03-17 Going for Growth is the OECD s regular report on structural reforms in policy areas that have been identified as priorities to boost incomes in OECD and major non OECD countries Brazil the People s Republic of China Colombia Costa Rica India Indonesia Lithuania the Russian Federation

**Fair Share** Stephen Bell,Michael Keating,2018-02-26 Winners and losers it s the brutal reality in most advanced economies Increased inequality economic stagnation and financial instability are the consequences of technological change globalisation and the massive increase in financial systems Governments struggle to deal with the unrest this creates and to resolve competing claims for the spoils of growth Australia s egalitarian traditions and past reforms have served the country well but the risks of weakening demand stagnating living standards and structural unemployment are growing and require urgent attention Does Australia have the fiscal and political capacity to achieve a reform agenda Can the Australian political system manage these vital changes Will voters support them Fair Share ignites the necessary debate to instigate action

**Handbook on Green Growth** Roger Fouquet,2019 Economies around the world have arrived at a critical juncture to continue to grow fuelled by fossil fuels and exacerbate climate change or to move towards more sustainable greener growth Choosing the latter is shown to help address climate change as well as present new economic opportunities This Handbook provides a deeper understanding of the concept of green growth and highlights key lessons from the experience of green transformations across the world following a decade of ambitious stimulus packages and green reforms **The Contest for**

**Japan's Economic Future** Richard Katz,2024 Among the many books on why some nations prosper better than others this is the first such focusing this theme on Japan in many years And it is the first in English to show how a revival of Japan s past entrepreneurship will promote broader economic recovery and written in a lively style this book will appeal to laypersons scholars businesspeople and policymakers alike Adding to the appeal is that the book demonstrates how current trends give Japan its best opportunity for recovery in a generation At the same time its discussion of the forces opposing an

entrepreneurial revival adds both realism and drama There truly is a contest of forces for control of Japan s economic future On top of that the book will attract those interested in broader themes ranging from generational attitudes and gender relations to culture and technology      **OECD Skills Studies Skills Matter Further Results from the Survey of Adult Skills** OECD,2016-06-28 In the wake of the technological revolution that began in the last decades of the 20th century labour market demand for information processing and other high level cognitive and interpersonal skills is growing substantially

Strategic Financial Management for Small and Medium Sized Companies Hande Karadag,2015-12-14 Research shows a majority of small businesses fail in their early years due to poor financial management turning the dreams of many business owner and novice entrepreneur into nightmares This book serves as a guide to prevent small business owners and novice entrepreneurs from experiencing financial disasters      **OECD Environmental Performance Reviews: Korea 2017** OECD,2017-03-16 OECD Environmental Performance Reviews provide independent assessments of countries progress towards their environmental policy objectives Reviews promote peer learning enhance government accountability and provide targeted recommendations aimed at improving environmental performance      *The Irish Welfare State in the Twenty-First Century* Mary P. Murphy,Fiona Dukelow,2016-10-04 This book provides a critical and theoretically informed assessment of the nature and types of structural change occurring in the Irish welfare state in the context of the 2008 economic crisis Its overarching framework for conceptualising and analysing welfare state change and its political economic and social implications is based around four crucial questions namely what welfare is for who delivers welfare who pays for welfare and who benefits Over the course of ten chapters the authors examine the answers as they relate to social protection labour market activation pensions finance water early child education and care health housing and corporate welfare They also innovatively address the impact of crisis on the welfare state in Northern Ireland The result is to isolate key drivers of structural welfare reform and assess how globalisation financialisation neo liberalisation privatisation marketisation and new public management have deepened and diversified their impact on the post crisis Irish welfare state This in depth analysis will appeal to sociologists economists political scientists and welfare state practitioners interested in the Irish welfare state and more generally in the analysis of welfare state change

## Whispering the Techniques of Language: An Emotional Journey through **Oecd Employment Outlook 2014 Volume 2014**

In a digitally-driven world where displays reign supreme and immediate connection drowns out the subtleties of language, the profound strategies and mental nuances hidden within words usually move unheard.
