practice of hula kahiko comes an understanding of ancient hula as a conversation between aina and the dancer's body that has the power to activate historical memory Holmes experience has special relevance for indigenous adoptees and indigenous scholars Both are distanced from the knowledge agendas and strategies of their communities and are tasked to speak in languages ill suited to the telling of their own stories and those of their ancestors In addition to those with an interest in Hawaiian knowledge and culture Ancestry of Experience will appeal to readers of memoirs of identity academic and personal accounts of racial identity formation and works of indigenous epistemologies A website [www.ancestryofexperience.com](http://www.ancestryofexperience.com) will include supplementary material
