

# Prisoner Of War

**Daniel Joseph McCarthy**

## **Prisoner Of War:**

**History of Prisoner of War Utilization by the United States Army, 1776-1945** George Glover Lewis, John Mewha, 1955 This study is primarily a treatment of the use of prisoner of war labor by the United States Army It also provides a comprehensive treatment of the employment of prisoners of war by private employers in the United States The primary objective of the monograph is to provide in one volume a comprehensive record of the use of prisoner of war labor for the guidance of General Staff officers and students in the Army school system It is hoped that the study will assist the industrial and military mobilization planners of the future in planning for the use of prisoner of war labor The document also will further the understanding of basic problems related to the employment of prisoners of war among persons interested in military affairs Since the monograph is limited to the military history of prisoners of war through World War II it is merely background for the events that have followed that conflict An additional monograph dealing with the employment and treatment of prisoners of war during the Korean War is currently being prepared The study is divided into three parts Part One The Early Wars contains three chapters covering the period from the Revolutionary War through the Civil War Part Two The Beginnings of Global Warfare contains three chapters covering the period from the Spanish American War to the beginning of World War II Part Three World War II contains the bulk of the study The planning policies interested agencies and actual employment both in the continental United States and in overseas theaters are presented in detail Prisoners of War Arnold Krammer, 2007-11-30 America's current War on Terror is causing a readjustment of centuries of POW policies Prisoners of war are once again in the news as America and Western Europe grapple with a new faceless enemy and the rules of war and the torture of POWs are open to reconsideration Until very recently there has been astonishingly little written on the subject of prisoners of war Yet to understand the present it is critical to look back over history To that end Arnold Krammer examines the fate of war prisoners from Biblical and Medieval times through the halting evolution of international law to the current reshuffling of the rules The issue of prisoners of war is of more immediate concern now than ever before and an examination of the history of their treatment and current status may well influence foreign policy The fate of war prisoners through history has been cruel and haphazard The lives of captives hung by a thread Execution enslavement torture or being held for ransom were equally likely International agreements developed haltingly through the 19th and 20th centuries to culminate in the Geneva Accords of 1929 America's current War on Terror is causing a readjustment of centuries of POW policies Prisoners of war are once again in the news as America and Western Europe grapple with a new faceless enemy and the rules of war and the torture of POWs are open to reconsideration Until very recently there has been astonishingly little written on the subject of prisoners of war Yet to understand the present it is critical to look back over history To that end Arnold Krammer examines the fate of war prisoners from Biblical and Medieval times through the halting evolution of international law to the current reshuffling of the rules Since biblical times war captives have been considered

property and counted as booty to be enslaved or killed Americans were interested in generals and weapons and battles but not the fate of prisoners of war The Second World War when 90 000 Americans fell into enemy hands began to change that Concern for our POWs in Germany and Japan and close contact with enemy camps in America began to change our attitudes However it was the Vietnam War media driven and polarizing that caused the American public to truly reevaluate the plight of its sons and brothers heroic and clearly loyal as they fell into the hands of an inscrutable and apparently unyielding distant enemy More recently during the first Gulf War of 1991 and the current War on Terrorism the issue of prisoners of war has moved to center stage involving the clash of ideologies politics and expediency Since 9 11 the rights and safety of prisoners of war caught up in the War on Terror have been debated in Congress and adjudicated on by former Attorney General Alberto Gonzales whose conclusions were protested by numerous organizations The issue of prisoners of war is of more immediate concern now than ever before and an examination of the history of their treatment and current status may well influence foreign policy

**Prisoners of War** Ronald H. Bailey, 1981 How 15 million prisoners of war depended less on the Geneva convention than on their captors attitudes and customs

The Prisoner of War in Germany Daniel Joseph McCarthy, 1918

*Foo, a Japanese-American Prisoner of the Rising Sun* Frank Fujita, 1993 During his time as a POW Frank Foo Fujita kept a diary of daily happenings embellished with drawings of life in the camp He secreted the diary in the walls of his barracks as the practice was forbidden That diary forms the basis of these memoirs Fujita s memoirs are also unique in that he was one of the fewer than nine hundred Americans taken prisoner on the island of Java The bulk of American POWs in Japanese hands surrendered in the Philippines and most of the published POW memoirs reflect their experience Fujita s account of the defense of Java and of the fate of the Lost Battalion of Texas artillerymen serves to distinguish this memoir from others At one point while a POW in Japan Fujita was forced to be part of the Japanese radio group broadcasting propaganda After the war he testified at some of the war crime trials in San Francisco and the diary on which this book is based was used as evidence in those trials

The Prisoner of War in Germany; the Care and Treatment of the Prisoner of War with a History of the Development of the Principle of Neutral Inspection Daniel Joseph McCarthy, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1918 edition Excerpt CHAPTER X WOBKING CAMPS IN

previous wars it was the custom to exchange prisoners of war man for man officer for officer of equal grades or multiples of lesser grade for officers of higher rank During the present war no such exchange has taken place The prisoners so badly wounded that there was no possibility of their being further employed in military service munition works etc have been exchanged If we examine into the reasons for this deviation from the practice of previous wars we will find that it rests largely upon the economic problem involved in the countries at war At the end of the first year of the war two factors entered largely into the decision of the German Government to use the prisoner of war as a workman On account of the blockade by

the British fleet the production of food for the German population and for the prisoner of war became a pressing and urgent problem The use of munitions had far exceeded that which the military authorities had counted upon and the conversion of many industries to this use with an attempt to maintain the national industries of the country led to the demand of an increased amount of labor The war had already drawn into the fighting ranks every able bodied man between the ages of eighteen and forty five Germany has under arms nine millions of men From an economic standpoint we must consider each man as a working machine for the conversion of energy The amount of work that may be expected from such a machine can be fairly estimated from the amount of the intake of food in heat units Each man in ordinary work uses up six hundred food units calories for the purpose of work When this is calculated for nine millions of men in the army it means that the remaining group male

Prisoner of War Resistance United States. Department of the Army,1981      Prisoner of War United States. American Forces Information Service,1980      **WWII Prisoner of War** Len Kovar,2011-09-08 This is the true story of Second Lieutenant Leonard J Kovar and his battle to survive as a prisoner of war during World War II as told by him Page 4 of cover

## Prisoner Of War Introduction

In today's digital age, the availability of Prisoner Of War books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Prisoner Of War books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Prisoner Of War books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Prisoner Of War versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Prisoner Of War books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Prisoner Of War books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Prisoner Of War books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Prisoner Of War books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient

means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Prisoner Of War books and manuals for download and embark on your journey of knowledge?

### FAQs About Prisoner Of War Books

1. Where can I buy Prisoner Of War books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Prisoner Of War book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Prisoner Of War books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Prisoner Of War audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores.

Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.

9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Prisoner Of War books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
