

COURS PROCÉDURES COLLECTIVES

Procedures Collectives Cours

Albert A Gayle

Procédures Collectives Cours:

Le Crédit-bail mobilier dans les procédures collectives Aimé Diaka, 2014-07-24 De par sa nature ambivalente de contrat de location et d'opération de crédit le crédit bail bénéficie d'une position particulière dans la vie de l'entreprise en difficulté Fort de cette position économique le crédit bailleur pourrait-il prétendre un traitement de faveur Quels mécanismes rentrent-ils en jeu Quels changements apporter au contrat Fort de son expérience de responsable du recouvrement crédit bail mobilier au sein d'un grand groupe bancaire Aimé Diaka fournit une analyse brillante et exhaustive englobant les sphères nationales comme internationales Au fait des formes 2011 son étude rigoureuse parcourt le droit des entreprises en difficulté en prenant pour guide le contrat de crédit bail mobilier Une référence en la matière *Recueil Des Cours/Collected Courses* Académie De Droit International de la Haye, 1999-02-01 The Academy is an institution for the study and teaching of public and private international law and related subjects Its purpose is to encourage a thorough and impartial examination of the problems arising from international relations in the field of law The courses deal with the theoretical and practical aspects of the subject including legislation and case law All courses at the Academy are in principle published in the language in which they were delivered in the Collected Courses of the Hague Academy of International Law This volume contains *Vérification en matière de désarmement* par S. SUR professeur à l'Université de Panthéon-Assas Paris II *The Role of the Organization of American States in the Promotion and Protection of Democratic Governance* by H. CAMINOS Judge at the International Tribunal for the Law of the Sea Hamburg *The Private International Law of Copyright in an Era of Technological Change* by J. C. GINSBURG Professor at Columbia University in the City of New York **Revue des procédures collectives civiles et commerciales**,

L'intérêt des deux nouvelles procédures collectives, le rétablissement professionnel et la sauvegarde accélérée, issues de l'ordonnance du 12 mars 2014 Marion Pinel, 2016 Face à la crise que traversent actuellement les entreprises et l'augmentation du nombre des procédures collectives notamment de liquidation judiciaire le gouvernement a voulu une nouvelle fois reformuler le droit des entreprises en difficulté L'enjeu économique est de taille puisque une entreprise qui subit des difficultés ne met pas seulement son maintien en péril mais place aussi dans une situation délicate ses partenaires commerciaux et salariés Ainsi l'ordonnance du 12 mars 2014 entrée en vigueur le 1er juillet 2014 a instauré deux nouvelles procédures la sauvegarde accélérée et le rétablissement professionnel La première vise privilégier le recours à la conciliation et à agir en cas de défaillance de celle-ci alors que la seconde doit permettre de diminuer le nombre de liquidation judiciaire Cependant leur but commun est que la clôture de ces procédures doit rendre possible le rebond du débiteur traversé ce même nous allons voir si les buts du législateur ont été atteints *Droit des entreprises en difficulté* Maria Beatriz Salgado, 2007-08 *Collection of ICC Arbitral Awards 2016-2020* Jean-Jacques Arnaldez, Yves Derains, Dominique T. Hascher, 2022-02-28 The Collection of ICC Arbitral Awards 2016-2020 contains extracts of cases handled by the ICC Court of Arbitration one of the world's most respected arbitral institutions This most recent collection supplements seven previous and successful volumes containing awards from

the period 1974 to 2015 This collection is a practical reference tool containing three types of useful indexes incorporating information from all three volumes a consolidated analytical table in both English and French contains extensive cross references based on the terminology used in awards and case notes a chronological index lists the awards a keyword index also provided in both languages allows the reader to locate the material of interest quickly and easily In addition to providing a wealth of information in a highly accessible manner this book includes case notes and expert commentaries on the awards This publication is an indispensable reference work for anyone interested in international arbitration and in the reasoning of international arbitrators on the interpretation and application of contractual clauses international conventions and the law of international trade It is invaluable to both scholars and practitioners involved in the drafting and negotiation of international commercial contracts and the resolution of international commercial disputes

Recueil Des Cours/Collected Courses, Volume 281 (1999) Academie De Droit International de la Haye, 2001-04-17 The Academy is an institution for the study and teaching of public and private international law and related subjects Its purpose is to encourage a thorough and impartial examination of the problems arising from international relations in the field of law The courses deal with the theoretical and practical aspects of the subject including legislation and case law All courses at the Academy are in principle published in the language in which they were delivered in the Collected Courses of the Hague Academy of International Law This volume contains Since the end of the Second World War cross border relations among nations have intensified on a large scale and in addition to international peace and security many other problems have arisen that possess worldwide dimensions However international law is still predicated on the basic rule of national sovereignty Given this discrepancy humankind is called upon to establish a system of international governance that is able to deal effectively with all the challenges that threaten its survival as a civilized community of nations Practice is already evolving in that direction

Mesures d'exécution et procédures collectives Pierre-Michel Le Corre, 2013-01-11 Le droit des mesures d'exécution a pour objectif de permettre un créancier détenteur d'un titre exécutoire d'obtenir une satisfaction individuelle Le droit des entreprises en difficulté pour sa part ambitionne de répondre aux difficultés de l'entreprise en lui proposant diverses formules de traitement Quand cela n'est plus possible une technique de saisie collective des biens du débiteur est utilisée pour apporter dans la mesure du possible une satisfaction collective aux créanciers la liquidation judiciaire Le carrefour des deux disciplines antagonistes par nature sans avoir ignoré du législateur recule de nombreuses difficultés auxquelles les contributions contenues dans le présent ouvrage s'emploient apporter réponse

Executory Contracts in Insolvency Law Jason Chuah, Eugenio Vaccari, 2019 Executory Contracts in Insolvency Law offers a unique comprehensive and up to date transnational study of the topic including an analysis of certain countries which have never previously been undertaken in English Written by experts in the field with extensive experience of both research and professional experience this is a groundbreaking investigation into the philosophies and rationales behind the different policy choices adopted and implemented by a range of over 30 jurisdictions

across the globe
