Springfield, IL 62702

Dear **Admissions Committee**,

I am writing to wholeheartedly recommend Michael Thompson for admission to the Master's Degree program in Environmental Policy at Springfield University. As his professor for Advanced Environmental Studies over the past two years at **[Your Company Name]**, I have had the pleasure of observing his academic and professional development firsthand.

During his time in my class, Michael consistently demonstrated exceptional analytical skills and a profound commitment to understanding complex environmental issues. He tackled challenging topics with a keen intellect and a persistent work ethic. For instance, in a project focused on sustainable urban development, Michael led his team in designing an innovative proposal that incorporated renewable energy sources and green infrastructure. His ability to synthesize diverse data and present a compelling argument was truly impressive.

Moreover, Michael is a natural collaborator. He worked effectively in group settings, contributing valuable insights and encouraging his peers to strive for excellence. His ability to engage with diverse groups and maintain a positive attitude in challenging situations was particularly noteworthy. Michael's leadership during a campus-wide sustainability initiative showcased his dedication and capability to motivate others toward a common goal.

In addition to his academic prowess, Michael has demonstrated a deep passion for environmental advocacy. He has actively sought out opportunities for growth, including an internship with the Environmental Protection Agency, where he assisted in developing policies aimed at reducing carbon emissions in urban areas. His proactive approach to learning and genuine interest in the field make him an ideal candidate for your program.

I am confident that Michael will bring the same dedication and enthusiasm to your esteemed
