A cookbook tailored for disabled and neurodivergent individuals. Jules Sherred leverages the convenience of modern kitchen tools to challenge the inherent ableism found in conventional cooking guides. Food Tank: A comprehensive guide and recipe collection that brings the economy and satisfaction of home cooking to disabled and neurodivergent cooks. Crippling Crip Up: A term used by disabled disability rights advocates and academia to signal taking back power to lessen stigma and to disrupt ableism as to ensure disabled voices are included in all aspects of life. When Jules Sherred discovered the Instant Pot multicooker he was thrilled. And incensed. How had no one told him what a gamechanger this could be for any home cook but in particular for those with disabilities and chronic illness. And so the experimenting and the evangelizing began. The kitchen is the most ableist room in the house. With 50 recipes that make use of three key tools: the electric pressure cooker, air fryer, and bread machine. Jules has set out to make the kitchen accessible and enjoyable. The book includes pantry prep, meal planning, shopping guides, kitchen organization plans, and tips for cooking safely when disabled, all taking into account varying physical abilities and energy levels. Organized from least to greatest effort or from 1 to all your spoons, for spoonies beginning with spice blends and bases. Jules presents thorough, tested, inclusive recipes for making favourites like butter chicken. Jules's Effin Good Chili, Thai winter squash soup, roast dinners.

matzo balls pho samosas borshch shortbread lemon pound cake and many more Jules also provides a step by step guide to safe canning and a template for prepping your freezer and pantry for post surgery With rich accompanying photography and food histories complete nutritional information and methods developed specifically for the disabled and neurodivergent cook Crip Up the Kitchen is at once inviting comprehensive and accessible If you've craved the economy and satisfaction of cooking at home but been turned off by the ableist approach of most cookbooks this one's for you
