*The Red Squirrel* Robert Torrens Hatt, 1929 **Cat and Mouse** Harold Coyle, 2024-03-26 New York Times bestselling author Harold Coyle's Cat and Mouse reveals the chaos of warfare as Islamic terrorists lead by their most charismatic leader to date form a powerful coalition in hopes of breaking America's will to continue the war on terror In the War on Terror it is often difficult to tell who the enemy is Sometimes your fiercest opponent isn't an insurgent or a fanatic bent on making a statement in blood but a chain of command that is pursuing goals and objectives that have nothing to do with your unit's stated mission Nathan Dixon finds out just how true this is when a new battalion commander Lieutenant Colonel Robert Delmont convinces his superiors that he has an all but foolproof plan for defeating Islamic terrorists in the Philippines a plan that will ensure Delmont's promotion to full colonel and beyond But the 3rd Regiment of

the 75th Ranger battalion is pitted against no fool Determined to create a fundamental Islamic state in Southeast Asia a charismatic terrorist by the name of Hamdani Summirat unites the various Islamic factions into a confederation Their aim is to drag the United States into a protracted war of attrition that the Americans cannot win Summirat s factions play out a deadly game of cat and mouse drawing the American forces into ambushes and small bloody encounters with a small but highly trained core of Islamic fighters Lieutenant General Scott Dixon Deputy Chief of Staff for Operations with the US Army and Nathan s father soon finds that these enemies are practically impossible to hunt down They are killing American troops almost at will He realizes quickly that if the mission continues many more Americans will be wounded or killed perhaps even his own son But his pleas to his Commander in Chief are practically ignored This dual game of cat and mouse is played out both in the jungles of Mindanae and in the forward operations base Nathan Dixon must deal with a battalion commander who is determined to see his plan through regardless of the price Nathan and his company must pay while Scott Dixon must deal with a chain of command that refuses to alter a plan of attack in the face of a losing effort *Red is Never a Mouse ...*

Somewhere I heard a story of a bridge and a painter The bridge was enormous and was made all of metal and the painter s job was to keep it from rusting He would start at one end and slowly proceed day by day month by month toward the other end painting the bridge But no sooner would he finish with the painting than the bridge would begin to rust again The rust too would start at one end and slowly proceed toward the other end systematically destroying the painter s endeavor And so the painter would return to where he had started and begin painting again slowly proceeding toward the other end of the bridge always just one step ahead of the rust And if the story is true the painter might still be painting that bridge a modern Sisyphus During the writing of this book the story of the painter and his bridge kept coming to mind The field the book covers has been developing so rapidly that like the painter I too had to return to where I had started and fight the rust of obsolescence But unlike the painter I had a deadline to meet which constituted a point of no return And so sending off this manuscript I have no choice but to watch the fruits of my endeavor be overtaken by the rust Red Star 2 Dennis
